Learn how to design your own Internet-based lessons. Empower your learners!

## Wednesday, August 13th

---

### Just the facts, ma'am....Library 101

(Yoni Martinez & Liz Mendez)

1:30 p.m.-4:30 p.m. @DLRC

From A to Z; connect your classroom to the library. Learn how your library redefines "learning" @MCISD.

### The Flipped Classroom

(Miguel Chuca, Region One)

8:30 a.m. -11:30 a.m. @PDC

Participants will learn how they can flip their student's learning with the "Flipped Classroom". Attendees will create a realistic plan on how they can flip instruction so that students use their "home" time to learn lessons and their "class" time for questions, investigations and guidance. Attendees will be exposed to different tools they can use to create instructional videos and leave with at least one finished product they can use *Bring your iPad!*
