

Disciplinary Action Plan For Academic Competition

DISCIPLINE is a must in any successful academic competition program. Unless discipline is maintained, respect of both coaches and competitors is lost.

An academic competitor is subject to dismissal from the squad and/or the academic competition program for:

1. Stealing
2. Disrespect for coaches, teammates, or any adult
3. Poor attitude
4. Disobedience of or to coaches, teammates, or any adult
5. Failure to participate in prescribed practices
6. Failure to attend class
7. Sent to principal's office for misconduct more than once (You will get ONE warning.)
8. Expelled from school
9. Fighting at school
10. Leaving school without notifying someone in authority
11. Any conduct unbecoming of a Mission CISD academic competitor (cursing, harassing of coaches and/or teammates, destruction of property, etc.)
12. Smoking, drinking alcoholic beverages, marijuana, or drugs, will get you out of the academic competition program.

The decision to remove from academic competition will be made by the campus principal, the district DI coordinator, and the DI Team Manager.
