Board of Trustees

Texas law grants the Board of Trustees the power to govern and oversee the management of the District's schools. The Board is the policy-making body within the District and has overall responsibility for curriculum, school taxes, annual budget, employment of the Superintendent and other professional staff, facilities, and expansions. The Board has complete and final control over school matters within limits established by State and Federal laws and regulations.

The Board of Trustees is elected by the citizens of the District to represent the community's commitment to a strong educational program for the District's children. Board Members are elected at-large and serve four-year terms. Board Members serve without compensation, must be qualified voters, and must reside in the District.

Employment

Equal Employment Opportunity

Policies DAA, DIA

In its efforts to promote nondiscrimination and as required by law, Mission CISD does not discriminate against any employee or applicant for employment because of race, color, religion, sex (including pregnancy, sexual orientation, or gender identity), national origin, age, disability, military status, genetic information, or on any other basis prohibited by law. Additionally, the district does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to a discriminatory employment practice. Employment decisions will be made on the basis of each applicant's job qualifications, experience, and abilities.

In accordance with Title IX, the district does not discriminate on the basis of sex and is required not to discriminate on the basis of sex in its educational programs or activities. The requirement not to discriminate extends to employment. Inquiries about the application of Title IX may be referred to the district's Title IX coordinator, to the Assistant Secretary for Civil Rights of the Department of Education, or both.

The district designates and authorizes the following employee as the Title IX coordinator for employees to address concerns or inquiries regarding discrimination based on sex, including sexual harassment: *Elisa Pacheco, Director of Human Resources, 1201 Bryce Drive, Mission, Texas 78572, epache81@mcisd.org, (956)323-5641*. Reports can be made at any time and by any person, including during non-business hours, by mail, email, or phone. During district business hours, reports may also be made in person.

The district designates and authorizes the following employee as the ADA/Section 504 coordinator for employees for concerns regarding discrimination on the basis of a disability: *Elisa Pacheco, Director of Human Resources, 1201 Bryce Drive, Mission, Texas 78572, epache81@mcisd.org, (956)323-5641*.

Questions or concerns relating to discrimination for any other reason should be directed to the Superintendent.

Job Vacancy Announcements

Policy DC

Announcements of job vacancies by position and location are distributed on a regular basis and posted on the District's website www.mcisd.net.

Employment after Retirement

Policy DC

Detailed information about employment after retirement is available in the TRS Publication *Employment after Retirement*. Employees can contact TRS for additional information by calling 800-223-8778. Information is also available on the TRS website (www.trs.texas.gov).

Contract and Noncontract Employment

Policies DC series

State law requires the District to employ each classroom teacher, principal, librarian, nurse and counselor under probationary, term, or continuing contracts. Employees in all other positions are employed at-will or by a contract that is not subject to the procedures for non-renewal or termination under Chapter 21 of the Texas Education Code. The paragraphs that follow provide a general description of the employment arrangements used by the District.

Probationary Contracts. Nurses and full-time professional employees new to the District and employed in positions requiring SBEC certification must receive a probationary contract during their first year of employment. Former employees who are hired after at least a two-year lapse in District employment also may be employed by probationary contract. Probationary contracts are one-year contracts. The probationary period for those who have been employed in public schools for at least five of the eight years preceding employment with the District may not exceed one school year. For those with less experience, the probationary period will be three school years (i.e., three one-year contracts), with an optional fourth school year if the Board determines it is unclear whether a term contract should be given.

Term Contracts. Full-time professionals employed in positions requiring certification and nurses will be employed by a term contract after they have successfully completed the probationary period. The terms and conditions of employment are detailed in the contract and employment policies. All employees will receive a copy of their contract and upon request, a copy of employment policies.

Noncertified Professional and Administrative Employees. Employees in professional and administrative positions that do not require SBEC certification (such as non-instructional administrators) are employed by an employment agreement that is not subject to the provisions for non-renewal or termination under the Texas Education Code.

Paraprofessional and Auxiliary Employees. All paraprofessional and auxiliary employees, regardless of certification, are employed at will and not by contract. Employment is not for any specified term and may be terminated at any time by either the employee or the District.

Certification and Licenses

Policies DBA, DF

Professional employees whose positions require SBEC certification or professional licensure are responsible for taking actions to ensure their credentials do not lapse. Employees must submit documentation that they have passed the required certification exam and/or obtained or renewed their credentials to Human Resources in a timely manner. Employees licensed by the Texas Department of Licensing and Regulations (TDLR) must notify the Human Resources Department when there is action against, or revocation of, their license.

A certified employee's contract may be voided without Chapter 21 due process and employment terminated if the individual does not hold a valid certificate or fails to fulfill the requirements necessary to renew or extend a temporary certificate, emergency certificate, probationary certificate, or permit. A contract may also be voided if SBEC suspends or revokes certification because of an individual's failure to comply with criminal history background checks. Contact Human Resources if you have any questions regarding certification or licensure requirements.

Recertification of Employment Authorization

Policy DC

At the time of hire all employees must complete the Employment Eligibility Verification Form (Form I-9) and present documents to verify identity and employment authorization.

Employees whose immigration status, employment authorization, or employment authorization documents have expired must present new documents that show current employment authorization. Employees should file the necessary application or petition sufficiently in advance to ensure that they maintain continuous employment authorization or valid employment authorization documents. Contact Human Resources (956) 323-5641 if you have any questions regarding reverification of employment authorization.

Innovation District

Policy AF(Local), Policy DK(Local)

In accordance with state law, the District has completed all requirements for designation as an innovation district, and the Board has adopted an innovation plan posted on the District's website at www.mcsd.net.

The term of the District's innovation plan shall be for 4.5 years, beginning with the adoption of the plan on March 20, 2019, and concluding at the end of the 2022-23 school year, unless terminated earlier by the Board. The plan exemptions addressing flexibility with the District calendar and school start date and teacher certification for persons providing instruction in career and technical education (CTE) courses shall not be amended prior to the established term of the innovation plan.

Searches and Alcohol / Drug Testing

Policy CQ, DHE

Non-investigatory searches in the workplace, including accessing an employee's desk, file cabinets, or work area to obtain information needed for usual business purposes may occur when an employee is unavailable. Therefore, employees are hereby notified that they have no legitimate expectation of privacy in those places. In addition, the District reserves the right to conduct searches when there is reasonable cause to believe a search will uncover evidence of work-related misconduct. Such an investigatory search may include drug and alcohol testing if the suspected violation relates to drug or alcohol use. The District may search the employee, the employee's personal items, work areas, lockers, including District-owned computers, and private vehicles parked on District premises or worksites or used in District business.

Employees required to have a commercial driver's license. The purpose of alcohol and drug testing is to ensure safety and prevent accidents and injuries resulting from the misuse of alcohol and drugs by drivers of commercial motor vehicles. Any employee who is required to have a commercial driver's license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements if their duties include driving.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted when reasonable suspicion exists, at random, when an employee returns to duty after engaging in prohibited conduct, and as a follow-up measure. Testing may be conducted following accidents. Return-to-duty and follow-up testing will be conducted when an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty.

All employees required to have a CDL or who otherwise are subject to alcohol and drug testing will receive a copy of the District's policy, the testing requirements, and detailed information on alcohol and drug abuse and the availability of assistance programs. Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact the Human Resources Office at 323-5641.

Health Safety Training

Policy DBA, DMA

Certain employees who are involved in physical activities for students must maintain and submit to the District proof of current certification or training in first aid, cardiopulmonary resuscitation (CPR), the use of an automated external defibrillator (AED), concussion, and extracurricular athletic activity safety training by the Athletic Director. Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification or documentation to the Director for Athletics. Protocol for Automated External Defibrillators (AED): (see page 60).

School nurses and employees with regular contact with students must complete a Texas Education Agency approved, online training regarding seizure disorder awareness, recognition, and related first aid and Epi-Pen trained and checked off by the campus nurse on an annual bases.

Reassignments and Transfers

Policy DK

Reassignments

Campus personnel are subject to reassignment on the campus by the principal. All personnel are subject to assignment and reassignment by the Superintendent or designee when the Superintendent or designee determines that the assignment or reassignment is in the best interest of the District. Reassignment is a transfer to another position, department, or facility that does not necessitate a change in the employment contract. Reassignments to another campus must be approved by the principal at the receiving campus. When reassignments are due to enrollment shifts or program changes, the Superintendent has final placement authority. Extracurricular or supplemental duty assignments may be reassigned at any time. Employees who object to a reassignment may follow the District process for employee complaints as outlined in this handbook and District policy DGBA(LOCAL).

Transfers

Employees with the required qualifications for a position may request a transfer to another campus or department. An Employee Transfer Request Form (sample on page 20) must be completed for vacant positions posted on the District's employment opportunities website located at www.mcisd.net. The completed transfer form, along with a resume and latest transcript, must be uploaded to the online employment application via the "Internal Applicants" link. The primary purpose of the completed transfer form is to inform all parties (i.e. administrator and Human Resources) of the employee's interest in a vacant position. The administrator will consider all applicants (both intra-district transfers as well as out-of-district applicants) for the vacant position. The administrator will follow standard administrative procedures in interviewing and recommending applicants. Employees requesting a transfer to another campus before the school year begins must submit their request by June 10. Lateral requests for transfer after June 10 will only be considered relevant to unique student circumstances. All transfer requests will be coordinated by the Office of Human Resources and must be approved by the receiving supervisor. The transfer form must have the Superintendent's (or designee's) signature for final approval.

NOTE: A transfer request does not automatically generate a reassignment or placement of an individual within the District to a vacant position.

Workload and Work Schedules

Policies DEAB, DK, DL

Professional Employees. Professional employees and academic administrators are exempt from compensatory time and overtime pay and are employed on a 10-, 11-, or 12-month basis, according to the work schedules set by the District. A school calendar is adopted each year designating the work schedule for teachers and all school holidays. Notice of work schedules, including required days of service and scheduled holidays, will be distributed each school year.

Classroom teachers will have planning periods for instructional preparation, including conferences. The schedule of planning periods is set at the campus level but must provide at least 450 minutes within each two-week period in blocks not less than 45 minutes within the instructional day. Teachers and librarians are entitled to a duty-free lunch period of at least 30 minutes. The District may require teachers to supervise students during lunch one day a week when no other personnel are available.

Paraprofessional and Auxiliary Employees. Support employees are employed at-will and receive notification of the required duty days, holidays, and hours of work for their position on an annual basis. Paraprofessional and auxiliary employees must be compensated for overtime, are not exempt from overtime and are not authorized to work in excess of their assigned schedule without prior approval from their supervisor. Paraprofessionals and auxiliary staff are required to use the District's time clock on a daily basis.

Breaks for Expression of Breast Milk

Policies DEAB, DG

The District supports the practice of expressing breast milk and makes reasonable accommodations for the needs of employees who express breast milk. A place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk will be provided.

A reasonable amount of break time will be provided when the employee has a need to express milk. For nonexempt employees, these breaks are unpaid and are not counted as hours worked. Employees should meet with their supervisor to discuss their needs and arrange break times.

Notification of Parents Regarding Qualifications

Policies DK, DBA

In schools receiving Title I funds, the District is required by the Every Student Succeeds Act (ESSA) to notify parents at the beginning of each school year that they may request information regarding the professional qualifications of their child's teacher. ESSA also requires that parents be notified if their child has been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements.

Texas law also requires that parents be notified if their child is assigned for more than 30 consecutive instructional days to a teacher who does not hold an appropriate teaching certificate. This notice is not required if parental notification under ESSA is sent. Inappropriately certified or uncertified teachers include individuals on an emergency permit (including individuals waiting to take a certification exam) or individuals who do not hold any certificate or permit. Information relating to teacher certification will be made available to the public upon request. Employees who have questions about their certification status can call the Human Resources Office at 323-5641.

Outside Employment and Tutoring

Policy DBD

Employees are required to disclose in writing to their immediate supervisor any outside employment that may create a potential conflict of interest with their assigned duties and responsibilities or the best interest of the District. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of conflict of interest. An employee shall disclose in writing to his or her immediate supervisor any private tutoring of District students for pay.

Performance Evaluation

Policies DN series

Evaluation of an employee's job performance is a continuous process that focuses on improvement. Performance evaluation is based on an employee's assigned job duties and other job-related criteria. All employees will participate in the evaluation process with their assigned supervisor at least annually. Written evaluations will be completed on forms approved by the District. Reports, correspondence, and memoranda can also be used to document performance information. All employees will receive a copy of their written evaluation, participate in performance conference with their supervisor, and have the opportunity to respond to the evaluation.

Upon receiving a report, a nursing review committee may review a nurse's nursing services, qualifications, and quality of patient care, as well as the merits of a complaint concerning a nurse, and a determination or recommendation regarding a complaint. A nurse may request, orally or in writing, a determination by the committee regarding conduct requested of the nurse believed to violate the nurse's duty to a patient.

Less than Annual Evaluations Eligibility. District teachers shall be appraised annually, except teachers who are eligible for less frequent evaluations in accordance with the law. In addition to meeting the eligibility requirements in state rules, to be eligible for less-than-annual evaluations under the T-TESS, a teacher shall:

1. Be employed on an educator term contract;
2. Hold SBEC certification;
3. Be assigned in his or her certification area;
4. Have been employed by the District for at least three years;
5. Have served at the current campus for at least one year;
6. Have been supervised by the current principal for at least one year.

Frequency. Eligible teachers shall be appraised every two years upon request of a waiver.

A teacher meeting the above local criteria and receiving a Proficient Rating in every Domain with no identified area of deficiency during the previous appraisal qualifies for two consecutive waivers, but must apply each year.

Waiver. An eligible teacher applying for a TTESS evaluation waiver must submit a Teacher Annual Evaluation Waiver Request Form during each school year that eligibility is met. (See page 31).

Exception. During any school year when a complete Texas Teacher Evaluation Support System (TTESS) evaluation is not scheduled for an eligible teacher, either the teacher or the principal may require that an appraisal be conducted by providing written notice to the other party.

Alternative Annual Review Process. In the years that a T-TESS appraisal is not scheduled for an eligible teacher, the teacher shall participate in an annual review process that includes the elements listed in state rule.

The annual review process shall produce a written document to be presented to the teacher, signed by the teacher and supervisor, and maintained in the personnel file.

The principal/supervisor will continue to conduct walkthroughs and informal observations.

TTESS. The annual appraisal of District teachers not eligible for less-than-annual evaluations shall be in accordance with the Texas Teacher Evaluation Support System (TTESS).

The District shall establish an appraisal calendar each year.

Schedule Limitations. In addition to those days on which observations are prohibited by law [see DNA(LEGAL)], the District shall not schedule observations on the last instructional day before and the first instructional day after a school holiday, days scheduled for end-of-semester or end-of-year examinations, or days on which the teacher is scheduled to administer state-mandated assessments or other standardized tests.

Employee Involvement

Policies BQA, BQB

At both the campus and District levels, Mission CISD offers opportunities for involvement in matters that affect employees and influence the instructional effectiveness of the District. As part of the District's planning and decision-making process, employees may either be asked or elected to serve on District- or campus-level advisory committees. Plans and detailed information about the shared decision-making process are available in each campus office or from the Office of Human Resources.

Staff Development

Policy DMA

Staff development activities are organized to meet the needs of employees and the District. Staff development is predominantly campus-based, related to achieving campus performance objectives, addressed in the campus improvement plan and is developed and approved by District- and campus-level advisory committees. Staff development for non-instructional personnel is designed to meet specific licensing requirements (e.g. bus drivers) and continued employee skill development.

Individuals holding renewable SBEC certificates are responsible for obtaining the required training hours and maintaining appropriate documentation.

Employee Accountability

Employee shall satisfactorily submit or account for all grades, reports, school equipment, or other required items at the end of the contract term. Employee agrees that the last salary payment under this contract is conditioned upon receipt from Employee of all such items, within the time specified by the District. Employee further agrees that the District may withhold from the salary payment(s) the value of any school equipment, other than textbooks or instructional technology assigned to students, that is lost or damaged, as well as any other fees, charges, or overpayments owed to the District.

Employee Dress Code

Policy DH

Employees are expected to dress in a manner that sets a good example for the students and does not detract from the educational environment at the Mission CISD. Employees' clothing and grooming habits will present a neat, clean, and professional appearance. Clothing will be job appropriate, tasteful, and coordinated. Nonexempt employees are not authorized to work beyond their normal work schedule without advance approval from their supervisor (*Use Compensatory Time/Over-time approval form, page 33*).

Overtime is legally defined as all hours worked in excess of 40 hours in a work week and is not measured by the day or by the employee's regular work schedule. Employees who must work beyond their normal schedule but less than 40 hours per week will be compensated in straight-time pay or equivalent time off in the same work week. Board Policy states that Personal Leave shall not be allowed on the day before or after a school holiday, staff development/in-service days, the first week of school, or the last week of school.

Health, Dental, and Life Insurance

Policy CRD

Mission CISD's contribution to employee's insurance premiums is determined annually by the Board of Trustees. Detailed descriptions of insurance coverage, prices, and eligibility requirements are provided to all employees in a separate booklet entitled MCISD Health Insurance and Voluntary Benefit Enrollment Guide. The health insurance plan year is from October 1 through September 30. New employees must complete enrollment forms within the first 30 days of employment. New employees can make changes to elected insurance coverage within the first 30 days of employment. Current employees can make changes in their insurance coverage during approved open enrollment or within 30 days of a change in family status (newborn, marriage, divorce, death) providing this a qualifying event and the Employee Benefits Department is notified within 30 days of qualifying event. Employees should contact the Employee Benefits Department at 323-5545 for more information.

Employees are not required to sign up for any of the insurance products but must complete the enrollment process to "Waive" all products during Open Enrollment. Premiums for added insurance will be paid through a payroll deduction.

Supplemental Insurance Benefits

Policy CRD

At their own expense, employees may enroll in supplemental insurance programs for Dental, Vision, Cancer, Critical illness, Hospital Indemnity Plan, Child Dependent Care, Flexible Spending Account, Whole Life, Accident, Supplemental Term Life and Disability. Premiums for these programs are paid by payroll deduction. Employees should refer to the MCISD Health Insurance and Voluntary Benefit Enrollment Guide or contact the Employee Benefits Department at 323-5545 for more information.

Cafeteria Plan Benefits (Section 125)

Employees may be eligible to participate in the Cafeteria Plan (Section 125) and, under IRS regulations, must either accept or reject this benefit. This plan enables eligible employees to pay certain insurance premiums on a pretax basis (i.e. Health, accidental death and dismemberment, cancer and dread disease, dental, and vision insurance). A third-party administrator handles employee claims made on these accounts.

New employees must accept or reject this benefit during their first month of employment. All employees must accept or reject this benefit on an annual basis during the District's open enrollment period.

Workers' Compensation Insurance

Policy CRE

The District, in accordance with state law, provides workers' compensation benefits to employees who suffer a work-related illness or are injured on-the-job. Benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case. All work-related accidents or injuries should be reported immediately to the Risk Management Office at 323-5545. Employees who are unable to work due to a work-related injury will be notified of their rights and responsibilities under the Texas Labor Code. (See *Worker's Compensation benefits*, page 38 for information.)

Payment for Accumulated Leave Upon Separation

Policy DEC

Effective with the beginning of the 2003-2004 school year, an employee who has at least ten continuous years of service with the District and meets the membership requirements for the Teacher Retirement System shall be entitled to: a one-time payment of \$60.00 a day for professional employees or \$30.00 a day for paraprofessional employees with a limit of 100 days for any unused state and local personal and sick leave earned. Sick leave shall be pro-rated for employees who worked less than a full year but more than one-half year. Payment to professional employees shall be limited to a maximum of \$6,000.00; payment to paraprofessional and auxiliary personnel shall be limited to a maximum of \$3,000.00.

Unemployment Compensation Insurance

Policy CRF

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Human Resources Office at 323-5641.

Teacher Retirement

All personnel employed on a regular basis for at least four and one-half months are members of the Teacher Retirement System of Texas (TRS). Substitutes not receiving TRS services retirement benefits who work at least 90 days a year are also eligible for TRS membership and to purchase a year of creditable service. TRS provides members with an annual statement of their account showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

Employees who plan to retire under TRS should notify the Office of Human Resources as soon as possible. Information on the application procedures for TRS benefits is available with the Payroll Office at Central Administration. Additional inquiries should be addressed to: Teacher Retirement System of Texas, 1000 Red River Street, Austin, TX 78701-2698, or call 800-223-8778. TRS information is also available on the Web (www.trs.texas.gov).

Leaves and Absences

Policy DEC, DECA, DECB

The District offers employees paid leaves of absence in times of personal need. This handbook describes the basic types of leave available and restrictions on leaves of absence. Employees who have personal needs that will require long leaves of absence should call the Payroll Department at 323-5527 for information about leave options, continuation of benefits, and communicating with the District.

The District maintains the District cost of health insurance benefits for employees on leave authorized under the Family and Medical Leave Act. Employees are responsible for any health care premiums above the District's share. Arrangements need to be made through the payroll department. Otherwise, the District does not make benefit contributions for employees who are on unpaid leave. Employees who terminate employment with the District may elect to continue with health benefits at their own expense according to COBRA guidelines.

Employees must follow District and department or campus procedures to report or request any leave of absence and complete the appropriate leave request form. Employees are responsible for creating their own absence in Absence Management (formerly known as AESOP). Any employee who is absent more than five days because of a personal or family illness must submit medical certification from a qualified health care provider confirming the specific dates of the illness, the reason for the illness, and in the case of personal illness, the employee's fitness to return to work.

Medical Certification

The district may require medical certification due to an employee's questionable pattern of absences or when deemed necessary by the supervisor or superintendent. The district may also request medical certification when an employee requests FMLA leave for the employee's serious health condition, a serious health condition of the employee's spouse, parent, or child, or for military caregiver leave.

Personal Leave

State law entitles all employees to five days of paid personal leave per year. Personal leave is earned at a rate of one-half workday for each 18 workdays of employment. A day of earned personal leave is equivalent to an assigned workday. State personal leave accumulates without limit, is transferable to other Texas school districts, and generally transfers to education service centers. There are two types of personal leave: nondiscretionary and discretionary.

Nondiscretionary. Leave taken for personal or family illness, family emergency, a death in the family, or active military service is considered nondiscretionary leave. This type of leave allows very little, if any, advance planning and may be granted to employees in the same manner as sick leave, subject to limitations.

Discretionary. Leave that is taken at an employee's discretion that can be scheduled in advance is considered discretionary leave. An employee wishing to take discretionary personal leave must submit a notice of the request in advance of the anticipated absence to his or her principal or supervisor. Discretionary personal leave will be granted on a first-come, first-served basis. The effect of the employee's absence on the educational program or department operations, as well as the availability of substitutes, will be considered by the principal or supervisor.

- Consideration to the effect of the employee's absence on the educational program may affect approval for request.
- Discretionary leave may not last more than five consecutive workdays.
- Discretionary leave may **not** be taken on the following key days: before or after a holiday, staff development/in-services, and first week of school, and last week of school.

State Sick Leave

Previously accumulated state sick leave is available for use and may be transferred to other school districts in Texas. Sick leave can be used only in 5-day increments except when coordinated with family and medical leave taken on an intermittent or reduced-schedule basis or when coordinated with workers' compensation benefits.

If an employee uses more sick leave than he or she has earned, the cost of the daily rate will be deducted from the employee's next paycheck(s). Sick leave shall be pro-rated for employees who worked less than a full year but more than one-half year.

Sick leave may be used for the following reasons:

- Employee illness
- Illness in the employee's immediate family
- Family emergency (i.e., natural disasters or life-threatening situations)
- Death in the immediate family
- Active military service

All absences shall be recorded and documented for all employees. Sick leave used is recorded in half days and whole days only. All regularly employed personnel shall earn state personal leave at the rate of one-half a workday for each 18 workdays of employment, up to the statutory maximum of five workdays per year.

Local Leave

Policy DEC (LOCAL)

Employees shall earn additional local leave concurrently with state personal leave. Local leave is accrued in the same manner as state personal leave. Local leave shall accumulate to a maximum of 100 equivalent workdays and shall be taken with no pay loss. Two days of your local leave may be taken for personal business use.

Extended Leave

After all state personal and sick leave, and all local leave have been exhausted, an employee may request as many as five days of extended sick leave to be used only for the employee's personal illness or disability accompanied by a physician's excuse or receipt. The daily rate of pay for substitute shall be deducted for each day of extended sick leave taken by professional employees, or one-fourth the daily rate of pay for a substitute for each day of extended sick leave taken by paraprofessionals and auxiliary employees whether or not a substitute is employed.

Family and Medical Leave Act (FMLA)—General Provisions

The following text is from the federal notice, *Employee Rights and Responsibilities Under the Family and Medical Leave Act*. Specific information that the District has adopted to implement the FMLA follows this general notice.

Basic Leave Entitlement. The FMLA requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth, or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee's job.

Military Family Leave Entitlements. Eligible employees with a spouse, son, daughter, or parent on active military duty and deployed to a foreign country may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

The FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered servicemember during a single 12-month period. A covered servicemember is a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty on active duty that may render the servicemember medically unfit to perform his or her duties for which the servicemember is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list. It also includes a family member who is a veteran with an illness or injury that occurs in the line of duty while on active duty and manifests itself before or after the servicemember became a veteran. The veteran must have been on active duty during the five years preceding the need for treatment, recuperation, or therapy.

Benefits and Protections. During FMLA, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements. Employees are eligible if they have worked for a covered employer for at least one year, for 1,250 hours over the previous 12 months, and if at least 50 employees are employed by the employer within 75 miles.

Definition of Serious Health Condition. A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave. An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave. Employer requires the use of accrued paid leave while taking FMLA. In order to use paid leave for FMLA, employees must comply with the District's normal paid leave policies.

Employee Responsibilities. Employees must provide 30 days advance notice of the need to take FMLA-when the need is foreseeable. When 30 days notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information for the employer to determine if the leave may qualify for FMLA protection and the anticipated timing and duration of the leave. Sufficient information may include that the employee is unable to perform job functions, the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider, or circumstances supporting the need for military family leave. Employees also must inform the employer if the requested leave is for a reason for which FMLA was previously taken or certified. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities. Covered employers must inform employees requesting leave whether they are eligible under the FMLA. If they are eligible, the notice must specify any additional information required as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA and the amount of leave counted against the employee's leave entitlement. If the employer determines that the leave is not FMLA, the employer must notify the employee.

Unlawful Acts by Employers. The FMLA makes it unlawful for any employer to: interfere with, restrain, or deny the exercise of any right protected under the FMLA; discharge or discriminate against any person for opposing any practice made unlawful by the FMLA or for involvement in any proceeding under or relating to the FMLA.

Enforcement. An employee may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any Federal or State law prohibiting discrimination or supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights.

Local Procedures for Implementing Family and Medical Leave Provisions

Eligible employees can take up to 12 weeks of unpaid leave in the 12-month period.

- Beginning on the first duty day of the school year.

Use of Paid Leave. FMLA runs concurrently with accrued sick and personal leave, temporary disability leave, compensatory time, assault leave, and absences due to a work-related illness or injury. The District will designate the leave as FMLA, if applicable, and notify the employee that accumulated leave will run concurrently.

Combined Leave for Spouses. Spouses who are employed by the District are limited to a combined total of 12 weeks of FMLA to care for a parent with a serious health condition; or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

Intermittent Leave. When medically necessary or in the case of a qualifying exigency an employee may take leave intermittently or on a reduced schedule. The District does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

Fitness for Duty. An employee that takes FML due to the employee's own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. When leave is taken for the employee's own serious health condition, the certification must address the employee's ability to perform essential job functions. The district shall provide a list of essential job functions (e.g., job description) to the employee with the FML designation notice to share with the health care provider. Fitness for duty is not required when an employee returns to work following leave to care for a family member with a serious health condition; to care for a child following birth, adoption, or foster care placement; or for qualifying exigency leave.

Reinstatement. An employee returning to work at the end of FML will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment. In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee's FML entitlement, and the district will maintain the employees group health insurance and reinstate the employee at the end of the leave according to the procedures outlined in policy (see DECA (LEGAL)).

Failure to Return. If, at the expiration of FML, the employee is able to return to work but chooses not to do so, the district may require the employee to reimburse the district's share of insurance premiums paid during any portion of FML when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee's control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from the district, the district may not require the employee to reimburse the district's share of premiums paid.

District Contact. Employees that require FMLA or have questions should contact the Employee Benefits Department for details on eligibility, requirements, and limitations.

Temporary Disability Leave

Certified Employees. Any full-time employee whose position requires certification from the State Board for Educator Certification (SBEC) is eligible for temporary disability leave. The purpose of temporary disability leave is to provide job protection to full-time educators who cannot work for an extended period of time because of a mental or physical disability of a temporary nature. Temporary disability leave must be taken as a continuous block of time. It may not be taken intermittently or on a reduced schedule. Pregnancy and conditions related to pregnancy are treated the same as any other temporary disability.

Employees must request approval for temporary disability leave. An employee's notification of need for extended absence due to the employee's own medical condition shall be accepted as a request for temporary disability leave. The request must be accompanied by a physician's statement confirming the employee's inability to work and estimating a probable date of return. If disability leave is approved, the length of leave is no longer than 180 calendar days. If disability leave is not approved, the employee must return to work or be subject to termination procedures.

If an employee is placed on temporary disability leave involuntarily, he or she has the right to request a hearing before the Board of Trustees. The employee may protest the action and present additional evidence of fitness to work.

When an employee is ready to return to work, the Employee Benefits Department at 323-5545 should be notified at least 30 days in advance. The return-to-work notice must be accompanied by a physician's statement confirming that the employee is able to resume regular duties. Professional employees returning from leave will be reinstated to the school to which they were previously assigned as soon as an appropriate position is available. If a position is not available before the end of the school year, professional employees will be reinstated at the beginning of the following school year.

Workers' Compensation Benefits

An employee absent from duty because of a job-related illness or injury may be eligible for workers' compensation weekly income benefits if the absence exceeds seven calendar days.

An employee receiving workers' compensation wage benefits for a job-related illness shall be assigned to Family and Medical leave, if applicable.

The Board has adopted the offset option provided by law [see CRE(LEGAL)] whereby an employee absent because of a job-related illness or injury may choose to: 1) receive workers' compensation wage benefits only; 2) use paid leave; or 3) use available paid leave in proportional amounts to supplement workers' compensation wage benefits, up to the regular pre-injury weekly wage.

The employee shall indicate if he or she chooses to use available paid leave in this circumstance and, if so, may choose to discontinue use at any time.

Effective May 15, 2002, Texas Workers' Compensation Commission Rule 128.7 provides for termination of workers' compensation benefits to any school employee injured on or after December 1, 2001, who usually does not work during the summer months.

Assault Leave

Assault leave provides extended job income and benefits protection to an employee who is injured as the result of a physical assault suffered during the performance of his or her job. An injury is treated as an assault if the person causing the injury could be prosecuted for assault or could not be prosecuted only because that person's age or mental capacity renders the person non-responsible for purposes of criminal liability.

An employee who is physically assaulted at work may take all the leave time medically necessary (up to two years) to recover from the physical injuries he or she sustained. At the request of an employee, the District will immediately assign the employee to assault leave. Days of leave granted under the assault leave provision will not be deducted from accrued personal leave and must be coordinated with workers' compensation benefits. Upon investigation the District may change the assault leave status and charge leave used against the employee's accrued paid leave. The employee's pay will be deducted if accrued paid leave is not available.

Bereavement Leave

Policy DEC (LOCAL)

Use of state leave and/or local leave for death in the immediate family shall not exceed five workdays per occurrence, subject to the approval of the District.

Jury Duty

Policies DEC, DG

The district provides paid leave to employees who are summoned to jury duty including service on a grand jury. The district will not discharge, threaten to discharge, intimidate, or coerce any regular employee because of juror or grand juror service or for the employee's attendance or scheduled attendance in connection with the service in any court in the United States. Employees who report to the court for jury duty may keep any compensation the court provides. A copy of the jury duty summons shall be attached to the Absence on AESOP. If the jury duty is for one-half day, the employee shall report for duty for the other one-half day. The employee shall be required to present documentation of service and shall be allowed to retain any compensation for this service. If more than one day is served, attendance verification is required.

Compliance with a Subpoena

Employees will be granted paid leave to comply with a valid subpoena to appear in a civil, criminal, legislative, or administrative proceeding. Other absences for court appearances related to an employee's personal business must be taken as personal leave or leave without pay (if no personal leave is available). Employees may be required to submit documentation of their need for leave for court appearances.

Truancy Court Appearances

An employee who is a parent, guardian of a child, or a court-appointed guardian ad litem of a child who is required to miss work to attend a truancy court hearing may use personal leave or compensatory time for the absence. Employees who do not have paid leave available will be docked for any absence required because of the court appearance.

Religious Observance

The district will reasonably accommodate an employee's request for absence for a religious holiday or observance. Accommodations such as changes to work schedules or approving a day of absence will be made unless they pose an undue hardship to the district. The employee may use any accumulated personal leave for this purpose. Employees who have exhausted applicable paid leave may be granted an unpaid day of absence.

Military Leave

Paid leave for military service. Any employee who is a member of the Texas National Guard, Texas State Guard, or reserve component of the United States Armed Forces will be granted a paid leave of absence without loss of any accumulated leave for authorized training or duty orders. Paid military leave will not exceed 15 days each federal fiscal year (October 1-September 30). In addition, an employee is entitled to use available state and local personal or sick leave during a time of active military service.

Reemployment after military leave. Employees who leave the District to enter into the United States uniformed services or who are ordered to active state military duty (Texas National Guard or Texas State Guard) may return to employment if they are honorably discharged. Employees who wish to return to the District will be re-employed in the position they would have held if employment had not been interrupted or reassigned to an equivalent or similar position provided they can be qualified to perform the required duties. To be eligible for re-employment, employees must provide notice of their obligation or intent to perform military service, provide evidence of honorable discharge or release, and submit an application for reemployment to the Office of Human Resources. In most cases, the length of military service cannot exceed five years, and the employee must apply for re-employment within the period of time specified in law.

Continuation of Health Insurance. Employees who perform service in the uniformed services may elect to continue their health plan coverage at their own cost for a period not to exceed 24 months. Employees should contact the Employee Benefits Department at 323-5545 for details on eligibility, requirements, and limitations.

Sick Leave

The District sick leave pool shall be established by voluntary donations from District staff of local leave days for the purpose of assisting a fellow full-time employee who has a catastrophic illness or disability and has exhausted all paid leave. The plan can also be established for an employee who has an immediate family member with a catastrophic illness or disability.

Professional Meetings

District employees may be permitted to attend meetings of professional organizations during a work day, with pay, if a direct school-related purpose will be accomplished. Such release time shall not be granted if the meetings are primarily to pursue the business of the organization. Atty. Gen. Op. MW-89 (1979) Personal business leave may be requested to attend organizational business meetings.

Uniform Absences Policy

The District shall take all necessary steps to terminate the employment of any employee who has exhausted all available leave under District policy if the employee is subsequently absent from duty for five or more days within the course of the same school year. Before making a final decision to terminate employment based on absences after all leave is exhausted, the District shall consider the employee's eligibility for reasonable accommodation of a disability under the Americans with Disabilities Act. <see DAA> This policy shall not require the District to maintain the employment of any person who is incarcerated in a federal, state, or local correctional institution.

Compensation and Benefits: Vacations and Holidays

DED(LOCAL)

Applicability

This policy shall only apply to full-time auxiliary employees in positions normally requiring 12 months of service (260 days).

Vacations

A full-time auxiliary employee in a position normally requiring 12 months of service (260 days) shall receive ten days of paid vacation annually. An employee who has been employed by the District for less than one year shall earn paid vacation days on a prorated basis.

Paid vacation days shall not accumulate. All earned vacation days shall be taken within the duty year. Use of vacation days shall require prior approval from the employee's immediate supervisor.

An employee who resigns or is terminated shall receive pay for unused days of vacation.

Employee Relations and Communications

Employee Recognition and Appreciation

Continuous efforts are made throughout the year to recognize employees who make an extra effort to contribute to the success of the District. Employees are recognized at Board meetings, in the District newsletter, and through special events and activities. Recognition and appreciation activities also include teacher of the year, luncheons, staff member of the year, service awards, etc.

District Communications

Throughout the year, the Public Relations Office publishes a number of newsletters, brochures, calendars, fliers, news releases and other materials as needed. Many of these publications and other information are made available to employees and the general public through the Internet as well as their printed forms. These publications offer employees and the community information pertaining to school activities, issues and achievements. They include but are not limited to the following:

Mission CISD e-Messenger- This is the District's external newsletter designed to reach a broad audience in the community. It is emailed weekly. Anyone can subscribe by using the link in the lower right portion of the District webpage.

Calendars- Traditionally, the Public Relations Department provides printed calendars. One is a folding pocket-sized calendar. The other is a larger planning calendar that includes more information including: holidays, observances, phone numbers. Calendar information is also available through the District's Webpage.

Social Media- The Public Relations Department utilizes three Social Media tools. Currently, the District can be "followed" through Twitter at, www.twitter.com/missioncisd. The District also has a page on Facebook, www.facebook.com/missioncisd. Users can select to be notified of updates through phone text messages. The District also has a YouTube Channel and Instagram account.

In addition to the above publications, the Public Relations Office also provides printed informational pieces as needed to help communicate important information to parents and/or the community as needed. The Public Relations Department also maintains the News and Announcements section of the main District webpage. District news and information is also regularly used in The Progress-Times, The Monitor, and all TV Stations.

Working with the Media

Policy GBBA

The Public Relations Office is the District contact for the news media. Any information requested by the news media should be directed to the Superintendent or the Director of Public Relations and Marketing, Craig Verley, at 323-5530. This includes statements concerning current issues and requests for school information, including enrollment reports and school funding figures. Employees who would like a news item to be given to the media should forward the information to the Public Relations Office. It is then distributed to the appropriate media outlets which may include: several local newspapers, six local television news operations, two local news radio outlets, and several out of town newspapers with area reporters.

Complaints and Grievances

Policy DGBA

In an effort to hear and resolve employee concerns or complaints in a timely manner and at the lowest administrative level possible, the Board has adopted an orderly grievance process. Employees are encouraged to discuss their concerns or complaints with their supervisors or an appropriate administrator at any time.

The formal grievance process provides all employees with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative grievance procedures are exhausted, employees can bring grievances to the Board of Trustees. For ease of reference, the District's policy concerning the process of bringing complaints and grievances:

[See DGBA(LOCAL) pages 151-159].

Discrimination, Harassment, and Retaliation

Policies DH, DIA

Employees shall not engage in prohibited harassment, including sexual harassment, of other employees, unpaid interns, student teachers, or students. While acting in the course of their employment, employees shall not engage in prohibited harassment of other persons, including Board members, vendors, contractors, volunteers, or parents. A substantiated charge of harassment will result in disciplinary action.

Individuals who believe they have been discriminated or retaliated against or harassed are encouraged to promptly report such incidents to the campus principal, supervisor, or appropriate District official. If the campus principal, supervisor, or District official is the subject of a complaint, the complaint should be made directly to the Superintendent. A complaint against the Superintendent may be made directly to the Board.

Any district employee who believes that he or she has experienced prohibited conduct based on sex, including sexual harassment, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, the campus principal, the Title IX coordinator, or the superintendent. The district's Title IX coordinator's name and contact information is listed in the Equal Employment Opportunity section of this handbook.

The District's policy that includes definitions and procedures for reporting and investigating discrimination, harassment, and retaliation: (See pages 147-159, 178-183).

Harassment of Students

Policies DH, DHB, FFG, FFH, FFI

Sexual and other harassment of students by employees are forms of discrimination and are prohibited by law. Romantic or inappropriate social relationships between students and District employees are prohibited. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the campus principal or other appropriate District official. All allegations of prohibited harassment or abuse of a student will be reported to the student's parents and promptly investigated. An employee who knows of or suspects child abuse must also report his or her knowledge or suspicion to the appropriate authorities, as required by law. (See *Reporting suspected child abuse*, page 44 for additional information.)

The District's policy that includes definitions and procedures for reporting and investigating harassment of students (See pages 160-167, 187-194, 195-201, 202, 203-214, 215-218)

Any person who has cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect by any person shall immediately make a report as required by law. Any professional who has cause to believe that a child has been or may be abused or neglected shall make a report as required by law. The report must be made within 48 hours after the professional first suspects abuse or neglect. A professional may NOT delegate to or rely on another person to make the report. Employees with questions or concerns relating to the alleged sexual harassment of a student may contact the Title IX Coordinator, Elisa Pacheco at 323-5641.

Alcohol and Drug-Abuse Prevention

Policies DH, DI

Mission CISD is committed to maintaining an alcohol and drug-free environment and will not tolerate the use of alcohol and illegal drugs in the workplace or at school-related or school-sanctioned activities on or off school property. Employees who use or are under the influence of alcohol or illegal drugs as defined by the Texas Controlled Substances Act during working hours may be dismissed. The District's policy regarding employee drug use: [See *DH(LOCAL)* pages 160-164].

Dietary supplements

Policies DH, FFAC

District employees are prohibited by state law from knowingly selling, marketing, or distributing a dietary supplement that contains performance-enhancing compounds to a student with whom the employee has contact as part of his or her school district duties. In addition, employees may not knowingly endorse or suggest the ingestion, intranasal application, or inhalation of a performance-enhancing dietary supplement to any student.

Reporting Suspected Child Abuse

Policies DG, FFG, GRA

All employees are required by state law to report any suspected child abuse or neglect as defined by Texas Family Code 261.001, to a law enforcement agency, Child Protective Services, or appropriate state agency (e.g.: state agency operating, licensing, certifying, or registering a facility) within 48 hours of the event that led to the suspicion. Alleged abuse or neglect involving a person responsible for the care, custody, or welfare of the child (including a teacher) must be reported to CPS. Abuse is defined by Texas Family Code and also includes any sexual conduct involving an educator and a student or minor.

Employees are also required to make a report if they have cause to believe that an adult was a victim of abuse or neglect as a child and they determine in good faith that the disclosure of the information is necessary to protect the health and safety of another child, elderly person, or person with a disability.

Reports to Child Protective Services can be made online at <http://www.txabusehotline.org/Login/Default.aspx> or to the Texas Abuse Hotline (800-252-5400). State law specifies that an employee may not delegate to or rely on another person or administrator to make the report.

Under state law, any person reporting or assisting in the investigation of reported child abuse or neglect is immune from liability unless the report is made in bad faith or with malicious intent. In addition, the District is prohibited from taking an adverse employment action against a certified or licensed professional who, in good faith, reports child abuse or neglect or who participates in an investigation regarding an allegation of child abuse or neglect.

An employee's failure to report suspected child abuse may result in prosecution as a Class A misdemeanor. The offense of failure to report by a professional may be a state jail felony if it is shown the individual intended to conceal the abuse or neglect. In addition, a certified employee's failure to report suspected child abuse may result in disciplinary procedures by SBEC for a violation of the Code of Ethics and Standard Practices for Texas Educators.

Employees who suspect that a student has been or may be abused or neglected should also report their concerns to the campus principal. This includes students with disabilities who are no longer minors. Employees are not required to report their concern to the principal before making a report to the appropriate agencies. In addition, employees must cooperate with child abuse and neglect investigators. Reporting the concern to the principal or nurse does not relieve the employee of the requirement to report to the appropriate state agency. Interference with a child abuse investigation by denying an interviewer's request to interview a student at school or requiring the presence of a parent or school administrator against the desires of the duly authorized investigator is prohibited. *Refer to page 58 to obtain a copy of the Alleged Child Abuse or Neglect Reporting Form to assist in documenting notification.*

State law requires that the identity of a person making a report of suspected child abuse or neglect be kept confidential.

By failing to report a suspicion of child abuse or neglect:

- You may be placing a child at risk of continued abuse or neglect;
- You are violating the law and may be subject to legal penalties, including criminal sanctions;
- You are violating Board policy and may be subject to disciplinary action, including possible termination of your employment; and
- Your certification from the State Board for Educator Certification may be suspended, revoked, or canceled.

State law specifically prohibits school officials from:

- Denying an investigator's request to interview a child at school in connection with an investigation of child abuse or neglect; or
- Requiring that a parent or school employee be present during the interview.

School personnel must cooperate fully and may not interfere with an investigation of reported child abuse or neglect.

Sexual Abuse & Maltreatment of Children

The District has established a plan for addressing child sexual abuse, and other maltreatment of children, which may be accessed at www.mcisd.net. As an employee, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused or maltreated. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Maltreatment is defined as abuse or neglect. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility under state law for reporting the suspected abuse or neglect following the procedures described above in reporting suspected child abuse.

Employees are required to follow the procedures described above in *Reporting Suspected Child Abuse*.

Reporting Crime

Policy DG

The Texas Whistleblower Act protects District employees who make good faith reports of violations of law by the District to an appropriate law enforcement authority. The District is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against, an employee who makes a report under the Act. State law also provides employees with the right to report a crime witnessed at the school to any peace officer with authority to investigate the crime.

Scope and Sequence

Policy DG

If a teacher determines that students need more or less time in a specific area to demonstrate proficiency in the Texas Essential Knowledge and Skills (TEKS) for that subject and grade level, the district will not penalize the teacher for not following the district's scope and sequence.

Policy DBD

Employees may not accept gifts or favors that could influence, or be construed to influence, the employee's discharge of assigned duties. The acceptance of a gift, favor, or service by an administrator or teacher that might reasonably tend to influence the selection of vendors, may result in prosecution of a Class B misdemeanor offense. This does not include staff development, teacher training, or instructional materials, such as maps or worksheets, that convey information to students or contribute to the learning process.

Associations and Political Activities

Policy DGA

The District will not directly or indirectly discourage employees from participating in political affairs or require any employee to join any group, club, committee, organization, or association. Employees may join or refuse to join any professional association or organization.

Use of district resources, including work time, for political purposes is prohibited.

The district encourages personal participation in the political process, including voting. Employees who need to be absent from work to vote during the early voting period or on Election Day must communicate with their immediate supervisor prior to the absence.

National criminal history checks based on an individual's fingerprints, photo, and other identification will be conducted on certain employees and entered into the Texas Department of Public Safety (DPS) Clearinghouse. This database provides the District and SBEC with access to an employee's current national criminal history and updates to the employee's subsequent criminal history.

Electronic mail transmissions and other use of the technology resources are not confidential and can be monitored at any time to ensure appropriate use.

As role models for the district's students, employees are responsible for their public conduct even when they are not acting as district employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee's use of electronic media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. See *Personal Use of Electronic Media*, above. Unsolicited contact from a student through electronic means is not a *communication*.
- *Certified or licensed employee* means a person employed in a position requiring SBEC certification or a professional license, and whose job duties may require the employee to communicate electronically with students. The term includes classroom teachers, counselors, principals, librarians, paraprofessionals, nurses, educational diagnosticians, licensed therapists, and athletic trainers.

 - The employee shall include his or her immediate supervisor as a recipient on each text message to the student so that the student and supervisor receive the same message; or
 - For each text message addressed to one or more students, the employee shall send a copy of the text message to the employee's district email address.

The employee must enable administration and parents to access the employee's professional page.

 - Copyright law [Policy CY]
 - Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student. [See Policy DH]
- Upon request from administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with one or more currently-enrolled students.
- Upon written request from a parent or student, the employee shall discontinue communicating with the student through email, text messaging, instant messaging, or any other form of one-to-one communication.
- An employee may request an exception from one or more of the limitations above by submitting a written request to his or her immediate supervisor.

In addition, individual employees may request in writing to be notified of pesticide applications. An employee who requests individualized notice will be notified by telephone, written, or electric means. Pest control information sheets are available from campus principals or facility managers upon request.

Work-Related Injuries

When it becomes necessary to open late or release students early, or close schools, the district will use an automated notification system to send messages and/or emails to employees and parents. Notifications will also be posted to the District's social media accounts and District webpage. Additional notifications will also be sent to area media for further dissemination through the Public Relations Department. Those media outlets include but are not limited to: The Monitor, Progress Times, KVEO-TV (23), CBS4, KRGV-TV (5), KNVO-TV (48), KTLN-TV (40), KURV-AM (See pages 64-65 for School Safety Procedures)

Contact Anabel Garza, Purchasing Coordinator, at 323-5524 for additional information on purchasing procedures.

Name and Address Changes

It is important that employment records be kept up to date. The choice to not allow public access to this information may be done at any time by submitting a written request to Human Resources. Otherwise, personal information may be released to the public until a request to withhold information is submitted or another exception for release of information under law applies. An employee is responsible for notifying the district if he or she is subject to any exception for disclosure of personal or confidential information.

Facility Use

Policies DGA, GKD

Designated District facilities shall be available for use by nonprofit community service and education groups. Requests for use shall be directed to the Superintendent or designee. Requests shall be denied if the time and place of requested use would interfere with instruction or other scheduled school activities. Approval shall not be granted for any purpose that would damage school property, to groups that are known to have damaged other rented property, or to any commercial group for profit. Fees for use shall be assessed in accordance with the fee schedule in effect at the time the request was approved. All requests for use of buildings should be addressed to the Office of the Assistant Superintendent for Finance.

Termination of Employment

Resignations

Policy DFE

Contract Employees. Contract employees may resign their position without penalty at the end of any school year if written notice is received 45 days before the first day of instruction of the following school year. A written notice of resignation should be submitted to the Principal and a copy sent to the Human Resources Office. (See page 62 for *Notice of Separation from Employment Form*.) Contract employees may resign at any other time only with the approval of the Superintendent. Resignation without the consent of the Superintendent may result in disciplinary action by the State Board for Educator Certification (SBEC).

The principal is required to notify the Superintendent of an educator's resignation following an alleged incident of misconduct for any of the acts listed in *Reports to Texas Education Agency on page 55*.

The Superintendent will notify the State Board for Educator Certification when an employee resigns and there is evidence to indicate that the employee has engaged in such misconduct.

Non-contract Employees. Non-contract employees may resign their positions at any time. A written notice of resignation should be submitted to employee's supervisor at least two weeks prior to the effective date (See page 62 *Notice of Separation from Employment Form*). Employees must include the reasons for leaving in the letter of resignation but are not required to do so.

The principal is required to notify the superintendent of a noncertified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student, or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. The superintendent will notify TEA within seven business days of receiving a report from a principal, or knew about an employee's resignation or termination following an alleged incident of misconduct described above.

Dismissal or Nonrenewal of Contract Employees

Policies DF Series, DHB

Employees on probationary or term contracts can be dismissed during the school year according to the procedures outlined in district policies. Employees on probationary or term contracts can be non-renewed at the end of the contract term. Contract employees dismissed during the school year, suspended without pay, or subject to a reduction in force are entitled to receive notice of the recommended action, an explanation of the charges against them, and an opportunity for a hearing. The timelines and procedures to be followed when a suspension, termination, or non-renewal occurs will be provided when a written notice is given to an employee.

The principal is required to notify the superintendent of an educator's termination within seven business days following an alleged incident of misconduct for any of the acts listed in *Reports to Texas Education Agency on page 56*. The superintendent will notify SBEC when an employee is terminated and there is evidence to indicate that the employee has engaged in such misconduct.

Advance notification requirements do not apply when a contract employee is dismissed for failing to obtain or maintain appropriate certification or whose certification is revoked for misconduct. Information on the timelines and procedures can be found in the DF series policies that are provided to employees or are available online on the district website (www.mcsd.net).

Dismissal of Noncontract Employees

Policy DCD, DP

Non-contract employees are employed at-will and may be dismissed without notice, a description of the reasons for dismissal, or a hearing. It is unlawful for the District to dismiss any employee for reasons of race, color, religion, gender, national origin, age, disability, military status, genetic information, any other basis protected by law, or in retaliation for the exercise of certain protected legal rights. Non-contract employees who are dismissed have the right to grieve the termination. To present a grievance, the employee must follow the District process outlined in this handbook. (See *Complaints and grievances, pages 40, 147-159 of this manual [DGBA(LOCAL)]*.)

The principal is required to notify the superintendent of a noncertified employee's resignation or termination within seven business days following an alleged incident of misconduct of abuse of a student, or was involved in a romantic relationship with or solicited or engaged in sexual conduct with a student or minor. The superintendent will notify TEA within seven business days of receiving a report from a principal, or knew about an employee's resignation or termination following an alleged incident of misconduct described above.

Discharge of Convicted Employees

Policy DF

The district shall discharge any employee who has been convicted of or placed on deferred adjudication community supervision for an offense requiring the registration as a sex offender or convicted of a felony under Title 5 Penal Code if the victim was a minor.

If the offense is more than 30 years before the date the person's employment began or the person satisfied all terms of the court order entered on conviction the requirement to discharge does not apply.

Exit Interviews and Procedures

Policy DC

Exit interviews will be scheduled for all employees leaving the District. Information on the continuation of benefits, release of information, and procedures for requesting references will be provided at this time. Separating employees are asked to provide the District with a forwarding address and phone number and complete the Exit Interview Form (See page 61 & 62) that provides the District with feedback on their employment experience.

All District keys, books, property, and equipment must be returned upon separation from employment to the immediate supervisor. Last payroll check will be held until all keys, property, books and equipment are returned.

Reports to Texas Education Agency

Policy DF, DHB, DHC

Certified Employees. The resignation or termination of a certified employee must be reported to the Division of Investigations at TEA if there is evidence that the employee was involved in any of the following:

- Any form of sexual or physical abuse of a minor or any other unlawful conduct with a student or a minor
- Soliciting or engaging in sexual contact or a romantic relationship with a student or minor
- The possession, transfer, sale, or distribution of a controlled substance
- The illegal transfer, appropriation, or expenditure of district or school property or funds
- An attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit for the purpose of promotion or additional compensation
- Committing a criminal offense or any part of a criminal offense on District property or at a school-sponsored event

The reporting requirements above are in addition to the superintendent's ongoing duty to notify TEA when a certified employee or an applicant for certification has a reported criminal history or engaged in conduct violating the assessment security procedures established under TEC §39.0301. "Reported criminal history" means any formal criminal justice system charges and dispositions including arrests, detentions, indictments, criminal information, convictions, deferred adjudications, and probations in any state or federal jurisdiction that is obtained by a means other than the Fingerprint-based Applicant Clearinghouse of Texas (FACT).

Noncertified Employees. The voluntary or involuntary separation of a noncertified employee from the District must be reported to the Division of Investigations at TEA by the superintendent if there is evidence the employee abused or otherwise committed an unlawful act with a student or minor, was involved in a romantic relationship with a student or minor, or solicited or engaged in sexual contact with a student or minor.

Reports Concerning Court-Ordered Withholding

The district is required to report the termination of employees that are under court order or writ of withholding for child support or spousal maintenance. Notice of the following must be sent to the support recipient and the court or, in the case of child support, the Texas Attorney General Child Support Division:

- Termination of employment not later than the seventh day after the date of termination
- Employee's last known address
- Name and address of the employee's new employer, if known

STUDENT ISSUES

Equal Education Opportunities

Policies FB, FFH

In an effort to promote nondiscrimination and as required by law, Mission CISD does not discriminate on the basis of race, color, religion, national origin, age, sex, or disability in providing education services, activities, and programs, including Career and Technical Education (CTE) programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

Questions or concerns about discrimination students based on any of the reasons listed above should be directed to the Superintendent or the District's Title IX Coordinators, Elisa Pacheco and Jesse Trevino at (956) 323-5641.

Student Records

Policy FL

Student records are confidential and are protected from unauthorized inspection or use. Employees should take precautions to maintain the confidentiality of all student records. The following people are the only people who have general access to a student's records:

- Parents: Married, separated, or divorced unless parental rights have been legally terminated and the school has been given a copy of the court order terminating parental rights
- The student: The rights of parents transfer to a student who turns 18 or is enrolled in an institution of post-secondary education. A district is not prohibited from granting the student access to the student's records before this time.
- School officials with legitimate educational interests

The student handbook provides parents and students with detailed information on student records. Parents or students who want to review student records should be directed to the campus principal for assistance.

Parent and Student Complaints

Policy FNG

In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the Board has adopted orderly processes for handling complaints on different issues. Any campus office or the Superintendent's office can provide parents and students with information on filing a complaint.

Parents are encouraged to discuss problems or complaints with the teachers or the appropriate administrator at any time. Parents and students with complaints that cannot be resolved should be directed to the campus principal. The formal complaint process provides parents and students with an opportunity to be heard up to the highest level of management if they are dissatisfied with a principal's response. Once all administrative complaint procedures are exhausted, parents and students can bring complaints to the Board of Trustees.

Administering Medication to Students

Policy FFAC

Only designated employees may administer prescription medication, nonprescription medication, and herbal or dietary supplements to students. Exceptions apply to the self-administration of asthma medication, medication for anaphylaxis (e.g., EpiPen®), and medication for diabetes management, if the medication is self-administered in accordance with district policy and procedures. A student who must take any other medication during the school day must bring a written request from his or her parent and the medicine in its original, properly labeled container. Contact the principal or school nurse for information on procedures that must be followed when administering medication to students.

Psychotropic Drugs

Policy FFAC

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

District employees are prohibited by state law from doing the following:

- Recommending that a student use a psychotropic drug
- Suggesting a particular diagnosis
- Excluding from class or school-related activity a student whose parent refuses to consent to a psychiatric evaluation or to authorize the administration of a psychotropic drug to a student.

Student Conduct and Discipline

Policies in the FN series and FO series

Students are expected to follow the classroom rules, campus rules, and rules listed in the Student Code of Conduct and Student Handbook. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by the District. Other employees that have concerns about a particular student's conduct should contact the classroom teacher or campus principal.

Teachers must file a written report with the principal or another appropriate administrator when they have knowledge that a student has violated the Student Code of Conduct.

Student Attendance

Policy FEB

Teachers and staff should be familiar with the District's policies and procedures for attendance accounting. These procedures require students to have parental consent before they are allowed to leave campus. When absent from school, the student, upon returning to school, must bring a note signed by the parent that describes the reason for the absence. These requirements are addressed in campus training and in the student handbook. Contact the campus principal for additional information.

Hazing

Policy FNCC

Students must have prior approval from the principal or designee for any type of "initiation rites" of a school club or organization. While most initiation rites are permissible, engaging in or permitting "hazing" is a criminal offense. Any teacher, administrator, or employee who observes a student engaged in any form of hazing, who has reason to know or suspect that a student intends to engage in hazing, or has engaged in hazing, must report that fact or suspicion to the designated campus administrator.

Bullying

Policy FFI

Bullying is defined by §TEC 37.0832. All employees are required to report student complaints of bullying, including cyber bullying to the campus principal or designee. The district's policy includes definitions and procedures for reporting and investigating bullying of students and is reprinted below:

Procedures for Reporting Allegations of Bullying

The District prohibits bullying on school property, at school-sponsored or school-related activities, or in any vehicle operated by the district. Bullying may be verbal or written expression or expression through electronic means, or physical conduct. Bullying is not tolerated by the district and any student or parent of a student who believes that the student or another student has experienced bullying or that a student has engaged in bullying is encouraged to immediately report the incident to a teacher, counselor, principal, or other District professional employee. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited. Students or parents may report an alleged incident of bullying, by calling or texting to 1-206-406-6485, emailing to report@stvalert.info, or reporting to a teacher, counselor, principal or other district employee. For more information, please visit www.stvalert.info. Students or parents may contact the District to obtain a report form that may be used to submit the complaint. This form will be available at the front office of all District schools, the Central Administrative office building and online through the District website. The online forms will be found under Departments-Student Services-Forms. Please note that after submission of the complaint to the District employee, the district may assign the complaint to a campus administrator to follow up on the submitted complaint and any other important matters pertaining to the complaint. We encourage you to communicate with your designated campus administrator during this time. More information about the District's bullying policy can be found at the campus administration office or [http://pol.tasb.org/Policy/Download/639?filename=FFI\(LOCAL\).pdf](http://pol.tasb.org/Policy/Download/639?filename=FFI(LOCAL).pdf).

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

Not later than April 1 of the year in which the waiver application is submitted, the commissioner shall notify the district in writing whether the application has been granted or denied. Unless an exemption applies, a district shall pay an employee not less than one and one-half times the employee's regular rate of pay for all hours worked in excess of 40 in any workweek. 29 U.S.C. 207(a)(1); 29 C.F.R. pt. 778

Nonexempt
Employees

Rest periods of up to 20 minutes must be counted as hours worked. Coffee breaks or time for snacks are rest periods, not meal periods. 29 C.F.R. 785.18

Bona fide meal periods of 30 minutes or more are not counted as hours worked if the employee is completely relieved from duty. The employee is not relieved from duty if the employee is required to perform any duties, whether active or inactive, while eating. For example, an office employee who is required to eat at his or her desk is working while eating. It is not necessary that an employee be permitted to leave the premises if the employee is otherwise completely freed from duties during the meal period. 29 C.F.R. 785.19

Compensatory Time
Accrual

Nonexempt employees may receive, in lieu of overtime compensation, compensatory time off at a rate of not less than one and one-half hours for each hour of overtime work, pursuant to an agreement or understanding arrived at between the employer and employee before the performance of the work. Such agreement or understanding may be informal, such as when an employee works overtime knowing that the employer rewards overtime with compensatory time.

An employee may accrue not more than 240 hours of compensatory time. If the employee's overtime work included a public safety activity, an emergency response activity, or a seasonal activity, the employee may accrue not more than 480 hours of compensatory time. After the employee has reached these limits, the employee shall be paid overtime compensation for additional overtime work.

*Payment for
Accrued Time*

Compensation paid to an employee for accrued compensatory time shall be paid at the regular rate earned by the employee at the time of payment. An employee who has accrued compensatory time off shall be paid for any unused compensatory time upon separation from employment at the rates set forth at 29 U.S.C. 207(o)(4).

Exempt Employees

The minimum wage and overtime provisions do not apply to any employee employed in a bona fide executive, administrative, or professional capacity. *29 U.S.C. 213(a)(1)*

*Academic
Administrators*

The term "employee employed in a bona fide administrative capacity" includes an employee:

1. Compensated for services on a salary or fee basis at a rate of not less than \$455 per week exclusive of board, lodging, or other facilities, or on a salary basis that is at least equal to the entrance salary for teachers in the district by which employed; and
2. Whose primary duty is performing administrative functions directly related to academic instruction or training in a district or department or subdivision thereof.

"Performing administrative functions directly related to academic instruction or training" means work related to the academic operations and functions in a school rather than to administration along the lines of general business operations. Such academic administrative functions include operations directly in the field of education. Jobs relating to areas outside the educational field are not within the definition of academic administration.

Employees engaged in academic administrative functions include:

1. The superintendent or other head of an elementary or secondary school system, and any assistants, responsible for administration of such matters as curriculum, quality and methods of instructing, measuring and testing the learning potential and achievement of students, establishing and maintaining academic and grading standards, and other aspects of the teaching program;
2. The principal and any vice principals responsible for the operation of an elementary or secondary school;

Salary Basis

To qualify as an exempt executive, administrative, or professional employee, the employee must be compensated on a salary basis, unless the employee is a teacher. Subject to the exceptions listed in the rule, an employee must receive the full salary for any week in which the employee performs any work, without regard to the number of days or hours worked. A district that makes improper deductions from salary shall lose the exemption if the facts demonstrate that the district did not intend to pay exempt employees on a salary basis. *29 C.F.R. 541.600, .602(a), .603*

*Partial-Day
Deductions*

A district employee who otherwise meets the salary basis requirements shall not be disqualified from exemption on the basis that the employee is paid according to a pay system established by statute, ordinance, or regulation, or by a policy or practice established pursuant to principles of public accountability, under which the employee accrues personal leave and sick leave and which requires the employee's pay to be reduced or the employee to be placed on leave without pay for absences for personal reasons or because of illness or injury of less than one workday when accrued leave is not used by an employee because:

1. Permission for its use has not been sought or has been sought and denied;
2. Accrued leave has been exhausted; or
3. The employee chooses to use leave without pay.

Deductions from the pay of a district employee for absences due to a budget-required furlough shall not disqualify the employee from being paid on a salary basis except in the workweek in which the furlough occurs and for which the employee's pay is accordingly reduced.

29 C.F.R. 541.710

*Safe Harbor

the exemption unless the district willfully violates the policy by continuing to make improper deductions after receiving employee complaints.

The best evidence of a clearly communicated policy is a written policy that was distributed to employees before the improper pay deductions by, for example, providing a copy of the policy to employees upon hire, publishing the policy in an employee handbook, or publishing the policy on a district's intranet.

29 C.F.R. 541.603(d)

Teachers

The term "employee employed in a bona fide professional capacity" includes any employee with a primary duty of teaching, tutoring, instructing, or lecturing in the activity of imparting knowledge and who is employed and engaged in this activity as a teacher in an elementary or secondary school system by which the employee is employed. The salary basis requirements do not apply to teaching professionals.

Exempt teachers include:

1. Regular academic teachers;
2. Teachers of kindergarten or nursery school pupils;
3. Teachers of gifted or disabled children;
4. Teachers of skilled and semi-skilled trades and occupations;
5. Teachers engaged in automobile driving instruction;
6. Home economics teachers; and
7. Vocal or instrumental music instructors.

Those faculty members who are engaged as teachers but also spend a considerable amount of their time in extracurricular activities such as coaching athletic teams or acting as moderators or advisors in such areas as drama, speech, debate, or journalism are engaged in teaching. Such activities are a recognized part of the schools' responsibility in contributing to the educational development of the student.

The possession of an elementary or secondary teacher's certificate provides a clear means of identifying the individuals contemplated as being within the scope of the exemption for teaching professionals. Teachers who possess a teaching certificate qualify for the exemption regardless of the terminology (e.g., permanent, conditional, standard, provisional, temporary, emergency, or unlimited) used by the state to refer to different kinds of certificates. However, a teacher who is not certified may be considered for

Temporary Disability

Each full-time educator shall be given a leave of absence for temporary disability at any time the educator's condition interferes with the performance of regular duties. The contract or employment of the educator may not be terminated while the educator is on a leave of absence for temporary disability. For purposes of temporary disability leave, pregnancy is considered a temporary disability.

By Board Authority

A board may adopt a policy providing for placing an educator on leave of absence for temporary disability if, in the board's judgment in consultation with a physician who has performed a thorough medical examination of the educator, the educator's condition interferes with the performance of regular duties. The educator shall have the right to present to the board testimony or other information relevant to the educator's fitness to continue in the performance of regular duties. [See DBB]

Consent (Unilateral
Resignation)**

An educator employed under a probationary contract for the following school year, or under a term or continuing contract, may relinquish the position and leave district employment at the end of the school year without penalty by filing a written resignation with a board or a board's designee not later than the 45th day before the first day of instruction of the following school year.

A written resignation mailed by prepaid certified or registered mail to a board president or a board's designee at the post office address of the district is considered filed at the time of mailing.

Education Code 21.105(a), .160(a), .210(a)

An unequivocal resignation filed not later than the 45th day before the first day of instruction of the following school year is effective upon filing with a district and the district cannot reject such a resignation. The resignation cannot be withdrawn by the teacher based on an argument that the district has not accepted the resignation. *Fantroy v. Dallas Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 034-R8-0206 (Mar. 5, 2009); Garcia v. Miles Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 055-R1-503 (Nov. 30, 2006).*

**Resignation with
Consent**

The educator may resign, with the consent of the board or the board's designee, at any other time. *Education Code 21.105(b), .160(b), .210(b)*

**Sanctions for
Abandonment of
Contract**

On written complaint by a district, the State Board for Educator Certification (SBEC) may impose sanctions against an educator who is employed under a probationary contract, or under a continuing or term contract, for the following school year, and who:

1. Resigns;
2. Fails without good cause to comply with the resignation deadline or the provision regarding resignation by consent; and
3. Fails without good cause to perform the contract.

Education Code 21.105(c), .160(c), .210(c)

Acceptance or approval of a resignation indicates consent to abandonment of contract. *Quitman Indep. Sch. Dist. v. Wilkerson, Tex. Comm'r of Educ. Decision No. 142-TTC-698 (Dec. 2, 1999); Houston Indep. Sch. Dist. v. Johnson, Tex. Comm'r of Educ. Decision No. 054-TTC-1196 (Sept. 28, 1998)*

SBEC shall not pursue sanctions against an educator who is alleged to have abandoned his or her contract unless a board:

1. Submits a written complaint within 30 calendar days after the effective date of the educator's separation from employment

from the district. Unless the district and the educator have a written agreement to the contrary, the effective date of separation from employment is the first day that, without district permission, the educator fails to appear for work under the contract.

2. Renders a finding that good cause did not exist under Education Code 21.105(c)(2) (probationary contract), 21.160(c)(2) (continuing contract), or 21.210(c)(2) (term contract). This finding constitutes prima facie evidence of the educator's lack of good cause but is not a conclusive determination.
3. Submits the following required attachments to the written complaint:
 - a. The educator's resignation letter, if any;
 - b. The agreement with the educator regarding the effective date of separation from employment, if any;
 - c. The educator's contract; and
 - d. Board meeting minutes indicating a finding of "no good cause." If the board does not meet within 30 calendar days of the educator's separation from employment, the minutes may be submitted within ten calendar days after the next board meeting.

Good Cause

SBEC may consider the following factors when an educator is reported to have abandoned a contract in violation of Education Code 21.105(c), 21.160(c), or 21.210(c):

1. Serious illness or health condition of the educator or close family member of the educator;
2. Relocation to a new city as a result of change in employer of the educator's spouse or partner who resides with the educator; or
3. Significant change in the educator's family needs that requires the educator to relocate or to devote more time than allowed by current employment.

Mitigating Factors

SBEC may consider the following factors when seeking, proposing, or making a decision regarding an educator who has abandoned a contract in violation of Education Code 21.105(c), 21.160(c), or 21.210(c):

4. Educator assisted in training the replacement educator;

Board Authority

A board is charged with the responsibility of governance of a district; governance includes the making of responsible choices in managing the finances and personnel of the district. Stidham v. Anahuac Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 205-R2-687 (1990) (upholding reduction in force due to financial exigency)

A district is always free to change its organizational structure as it seeks to increase its efficiency. Wasserman v. Nederland Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 171-R1-784 (1988)

**Consideration for
Open Positions**

The commissioner of education has held that, when a position is eliminated due to a necessary reduction in force, a district must transfer the employee to a different position if the teacher meets a district's objective criteria for that position. Objective criteria may include credentials, education, experience, applying for the position, and interviewing for the position. A district need not offer a position to a teacher who refuses to apply and interview for an open position. Amerson v. Houston Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 022-R2-1202 (2003)

**Probationary
Contract**

A probationary contract employee may be discharged at any time for good cause as determined by the board. If the employee is protesting proposed action to terminate a probationary contract before the end of the contract period on the basis of a financial exigency declared under Education Code 44.011 [see CEA], the employee is entitled to a hearing in the manner provided under Education Code 21.207 for nonrenewal of a term contract [see DFBB] or a hearing under Education Code Chapter 21, Subchapter F (hearings before independent hearing examiner) [see DFD], as determined by the board. *Education Code 21.104(a), .1041(2)*

A board may terminate a probationary contract at the end of the contract period if in the board's judgment such termination will serve the best interests of the district. *Education Code 21.103(a)*

Term Contract

A board may terminate a term contract and discharge a term contract employee at any time due to a financial exigency that requires a reduction in personnel. *Education Code 21.211(a)*

An employee who is protesting proposed action to terminate a term contract at any time on the basis of a financial exigency declared under Education Code 44.011 [see CEA] that requires a reduction in personnel must notify the board in writing not later than the tenth day after the date the employee receives notice of the proposed action. The employee is entitled to a hearing in the manner provided under Education Code 21.207 for nonrenewal of a term contract [see DFBB] or a hearing under Education Code Chapter 21, Subchapter F (hearings before independent hearing examiner)

Continuing Contract

A teacher employed under a continuing contract may be released and the teacher's employment terminated at the end of a school year because of a necessary reduction of personnel by the district. A necessary reduction of personnel shall be made primarily based upon teacher appraisals administered under Education Code 21.352 in the specific teaching fields and other criteria as determined by the board. *Education Code 21.157*

Before a teacher employed under a continuing contract may be released because of a necessary reduction of personnel, the board must notify the teacher in writing of the proposed action and the grounds for the action. *Education Code 21.158(a)*

If the teacher desires to protest the proposed necessary reduction of personnel, the teacher must notify the board in writing not later than the tenth day after the date the teacher receives notice. *Education Code 21.159(a)*

A teacher who timely notifies the board is entitled to a hearing in a manner provided under Education Code 21.207 for nonrenewal of a term contract [see DFBB] or in the manner provided under Education Code Chapter 21, Subchapter F (hearings before independent hearing examiner) [see DFE], as determined by the board. *Education Code 21.159(b)*

If the teacher does not timely request a hearing the board shall take the appropriate action and notify the teacher in writing not later than the 30th day after the date the board sent the notice of the proposed necessary reduction in personnel. *Education Code 21.159(c)*

Financial Exigency

A board may adopt a resolution declaring a financial exigency for the district. *Education Code 44.011* [See CEA]

Hearing Examiner

The independent hearing examiner process does not apply to a decision to terminate a probationary or term contract before the end of the contract period or terminate a continuing contract at any time, based on a financial exigency declared under Education Code 44.011 [see CEA] that requires a reduction in personnel, unless the board has decided to use this hearing process. *Education Code 21.251*

**Employee Free
Speech**

District employees do not shed their constitutional rights to freedom of speech or expression at the schoolhouse gate.

However, neither an employee nor anyone else has an absolute constitutional right to use all parts of a school building or its immediate environs for unlimited expressive purposes. When a public employee makes statements pursuant to his or her official duties, the employee is not speaking as a citizen for First Amendment purposes, and the Constitution does not insulate the communications from employer discipline.

Garcetti v. Ceballos, 547 U.S. 410 (2006); *Tinker v. Des Moines Indep. Cmty. Sch. Dist.*, 393 U.S. 503 (1969) [See also GKD]

**Whistleblower
Protection**

A board or its agents shall not suspend or terminate the employment of, or take other adverse personnel action against, an employee who in good faith reports a violation of law by a district or another public employee to an appropriate law enforcement authority.

A “report” is made to an “appropriate law enforcement authority” if the authority is a part of a state or local governmental entity or the federal government that the employee in good faith believes is authorized to:

1. Regulate under or enforce the law alleged to be violated in the report; or
2. Investigate or prosecute a violation of criminal law.

Gov’t Code 554.002

A supervisor who suspends or terminates the employment of or takes an adverse personnel action against an employee for reporting a violation of law shall be subject to civil penalties. *Gov’t Code 554.008*

Definitions

“Employee” means an employee or appointed officer who is paid to perform services for a district. It does not include independent contractors. *Gov’t Code 554.001(4)*

“Law” means a state or federal statute, an ordinance of a local governmental entity, or a rule adopted under a statute or ordinance. *Gov’t Code 554.001(1)*

A “good faith” belief that a violation of the law occurred means that:

1. The employee believed that the conduct reported was a violation of law; and
2. The employee’s belief was reasonable in light of the employee’s training and experience.

A “good faith” belief that a law enforcement authority is an appropriate one means:

1. The employee believed the governmental entity was authorized to:
 - a. Regulate under or enforce the law alleged to be violated in the report, or
 - b. Investigate or prosecute a violation of criminal law; and
2. The employee’s belief was reasonable in light of the employee’s training and experience.

Tex. Dep’t of Transp. v. Needham, 82 S.W.3d 314 (Tex. 2002)

**Whistleblower
Complaints**

An employee who alleges a violation of whistleblower protection may sue a district for injunctive relief, actual damages, court costs, and attorney’s fees, as well as other relief specified in Government Code 554.003. *Gov’t Code 554.003*

Initiate Grievance

Before suing, an employee must initiate action under a district’s grievance policy or other applicable policies concerning suspension or termination of employment or adverse personnel action.

The employee must invoke a district’s grievance procedure not later than the 90th day after the date on which the alleged suspension, termination, or other adverse employment action occurred or was discovered by the employee through reasonable diligence.

Legal Action

If a board does not render a final decision before the 61st day after grievance procedures are initiated, the employee may elect to:

1. Exhaust a district’s grievance procedures, in which case the employee must sue not later than the 30th day after the date those procedures are exhausted to obtain relief under Government Code Chapter 554; or
2. Terminate district grievance procedures and sue within the time lines established by Government Code 554.005 and 554.006.

Gov’t Code 554.005, 554.006 [See DGBA regarding grievance procedures]

Burden of Proof

If the employee brings a lawsuit, the employee has the burden of proof unless the suspension, termination, or adverse personnel action occurred within 90 days after the employee reported a violation of law, in which case the suspension, termination, or adverse personnel action is presumed, subject to rebuttal, to be because the employee made the report.

A board may not require an employee who acts in good faith to pay for instructional materials or technological equipment that is damaged, stolen, misplaced, or not returned. An employee may not waive this provision by contract or any other means.

Exception

A district may enter into a written agreement with an employee whereby the employee assumes financial responsibility for electronic instructional material or technological equipment usage off school property or outside of a school-sponsored event in consideration for the ability of the employee to use the electronic instructional material or technological equipment for personal business.

The written agreement shall be separate from the employee's contract of employment, if applicable, and shall clearly inform the employee of the amount of the financial responsibility and advise the employee to consider obtaining appropriate insurance. An employee may not be required to enter into such an agreement as a condition of employment.

Jury Duty

A district may not discharge, threaten to discharge, intimidate, or coerce any permanent employee because the employee serves as a juror or grand juror, or for the employee's attendance or scheduled attendance in connection with the service, in any court in the United States. An employee who is discharged, threatened with discharge, intimidated, or coerced is entitled to return to the same employment that the employee held when summoned for jury or grand jury service if the employee, as soon as practical after release from jury or grand jury service, gives the employer actual notice that the employee intends to return. *Civ. A district may not discharge, discipline, reduce the salary of, or otherwise penalize or discriminate against a school district employee because of the employee's compliance with a summons to appear as a juror. 29 U.S.C. 207(r)

**Right to Express
Breast Milk**

A district employee is entitled to express breast milk at the employee's workplace. *Gov't Code 619.002*

The district shall develop a written policy on the expression of breast milk by employees under Government Code Chapter 619. The policy must state that the district shall support the practice of expressing breast milk and make reasonable accommodations for the needs of employees who express breast milk.

A district shall provide a reasonable amount of break time for an employee to express breast milk each time the employee has need to express the milk. The district shall provide a place, other than a multiple user bathroom, that is shielded from view and free from intrusion from other employees and the public where the employee can express breast milk.

A district may not suspend or terminate the employment of, or otherwise discriminate against, an employee because the employee has asserted the employee's rights under Government Code Chapter 619. Government Code Chapter 619 does not create a private or state cause of action against a district.

Wages, Hours,
Conditions of Work

The prohibition against collective bargaining and strikes [see DGA] does not impair the right of employees to present grievances concerning their wages, hours of employment, or conditions of work, either individually or through a representative that does not claim the right to strike. *Gov't Code 617.005*

The term "conditions of work" should be construed broadly to include any area of wages, hours or conditions of employment, and any other matter that is appropriate for communications from employees to employer concerning an aspect of their relationship.

Atty. Gen. Op. JM-177 (1984); Corpus Christi Fed. of Teachers v. Corpus Christi Indep. Sch. Dist., 572 S.W.2d 663 (Tex. 1978)

Representative

A district cannot deny an employee's representative, including an attorney, the right to represent the employee at any stage of the grievance procedure, so long as the employee designates the representative and the representative does not claim the right to strike. *Lubbock Prof'l Firefighters v. City of Lubbock, 742 S.W.2d 413 (Tex. App.—Amarillo 1987, writ ref'd n.r.e.); Sayre v. Mullins, 681 S.W.2d 25 (Tex. 1984)*

A district should meet with employees or their designated representatives at reasonable times and places to hear grievances concerning wages, hours of work, and conditions of work. The right to present grievances is satisfied if employees have access to those in a position of authority to air their grievances. However, that authority is under no legal compulsion to take action to rectify the matter. *Atty. Gen. Op. H-422 (1974); Corpus Christi Indep. Sch. Dist. v. Padilla, 709 S.W.2d 700 (Tex. A district's employment policy must provide each employee with the right to present grievances to the board.

A district is not required to provide equipment for the employee to make the recording. *Education Code 11.171(b)*

Finality of Grades

An examination or course grade issued by a classroom teacher is final and may not be changed unless the grade is arbitrary, erroneous, or not consistent with a district's grading policy applicable to the grade, as determined by the board.

**Other Complaint

Employee complaints shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with DGBA after the relevant complaint process:

Notice to Employees

The principal of each campus and other supervisors are responsible for ensuring that all employees under their supervision are informed of this policy.

Purpose

Informal Process

The Board's employee complaint policy is adopted to provide a process for the prompt and orderly resolution of workplace conflicts without fear of prejudice, coercion, or retaliation. The Board encourages employees to discuss their concerns with their supervisor, principal, or other appropriate administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy, except by mutual written consent.

Direct
Communication with
Board Members

Employees shall not be prohibited from communicating with a member of the Board regarding District operations except when communication between an employee and a Board member would be inappropriate because of a pending hearing or appeal related to the employee.

**Freedom from
Retaliation**

Neither the Board nor any District employee may unlawfully retaliate against any employee for exercising the right to bring a complaint under this policy.

**Whistleblower
Complaints**

Whistleblower complaints shall be filed within the time specified by law. Timelines for the employee and the District set out in this policy may be shortened to allow the Board to make a final decision within 60 calendar days of the initiation of the complaint. [See DG]

Audio Recording

As provided by law, an employee shall be permitted to make an audio recording of a conference or hearing under this policy at which the substance of the employee's complaint is discussed. The employee shall notify all attendees present that an audio recording is taking place.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, employees on a school campus shall file Level One complaints with the campus principal; other District employees shall file Level One complaints with their immediate supervisor.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and, within one business day, forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the employee within seven days after receipt of the written complaint. If the deadline for the conference falls on a day that the central administration office is not open, the deadline shall extend to the next day that the central administration office is open. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the employee a written response within seven days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the employee is not satisfied with the decision from Level One, or if the time for a response has expired, the employee may request a conference with the Superintendent or designee to discuss the grievance and appeal the Level One decision.

The request must be filed in writing on a form provided by the District, within seven days following receipt of the written response at Level One. If the administration does not provide a written response and the time for providing the response has expired, the

PERSONNEL-MANAGEMENT RELATIONS
EMPLOYEE COMPLAINTS/GRIEVANCES

employee's request must be filed within seven days following the expiration of the administration's time for providing a written response to the employee's Level One grievance.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The employee may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the employee at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The request must state specifically what portion of the Level One decision the employee disagrees with and specifically why the employee disagrees with the decision. Documents used at Level One that support the Level Two appeal must also be identified. The request must include a copy of the Level One decision and the original complaint, including all attachments and documents that the employee used at Level One and an explanation of what they prove.

The relief available to the employee at Level Two shall be limited to that requested by the employee at Level One. New or additional relief requested at Level Two shall not be considered except at the discretion of the Superintendent or designee.

The Superintendent or designee shall schedule a conference within seven days after receipt of the written appeal notice is filed. If the deadline for the conference falls on a day that the central administration office is not open, the deadline shall extend to the next day that the central administration office is open. The conference shall be limited to the issues and documents presented at Level One and shall be identified in the Level Two appeal notice. The employee or the representative shall have 20 minutes to present the employee's appeal.

The Superintendent or designee shall provide the employee a written response within seven days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and

any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the employee is not satisfied with the decision from Level Two, or if the time for a response has expired, the employee may submit to the Superintendent or designee a request to place the matter on the agenda of a future Board meeting. An employee requesting a Level Three grievance hearing may request that opportunity to make an oral argument before the Board at the meeting where the grievance is to be considered. In the alternative, an employee may present his or her Level Three grievance to the Board solely in the form of a written petition with supporting evidence. A grievance submitted to the Board in writing shall only be discussed in a closed session unless otherwise required to be discussed in open session under this policy and shall not require the employee or representative to attend the hearing. If the employee does not specifically request the opportunity to make an oral argument before the Board, then no oral argument shall be heard and the Board shall consider the written record only. If the employee appeals to Level Three despite receiving all relief requested at Level Two, the employee shall not be entitled to make an oral argument before the Board, and the Board shall only consider the written record, the employee's Level Three written appeal, and the Level Two response with any supporting documentation.

The appeal notice must be in writing on a form provided by the District and filed within seven days following receipt of the written Level Two response or, if no response was received, within seven days of the Level Two response deadline. If the appeal notice is untimely, not on the District's form, or incomplete in any material way, the Superintendent, after consultation with the Board President, may dismiss the complaint and provide written notice of dismissal to the complainant.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the employee's complaint shall be an agenda item for presentation to the Board.

The Board shall consider only those issues and documents presented at Level Two and identified in the Level Three appeal.

The Superintendent or designee shall provide the Board the Level Two record. The employee may request a copy of the Level Two record.

PERSONNEL-MANAGEMENT RELATIONS

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

Board policies that pertain to the subject matter of the complaint shall be deemed a part of the record considered by the Board. When the complaint concerns Board actions or deliberations taking place at a public Board meeting, the meeting agenda, minutes, and recording of the relevant portions of the public meeting shall be deemed a part of the record considered by the Board.

The request must state specifically what portion of the Level Two decision the employee disagrees with and specifically why the employee disagrees with the decision. The request must also include a copy of the original complaint, documents relied upon at Level One, the Level One decision, the Level Two appeal, documents relied upon at Level Two, the Level Two decision, and the Level Three appeal. Documents used at Level Two that support the Level Three appeal must also be identified.

If at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the employee notice of the nature of the evidence at least three days before the hearing.

The relief available to the employee at Level Three shall be limited to that requested by the employee at Level One or granted to the employee at Level Two. New or additional relief requested by the employee at Level Two or Level Three shall not be considered.

The Board may hear the complaint in open or closed meeting but shall hear it in open meeting if the employee makes a request to that effect. However, if the employee's complaint is against another District employee, the option to request an open meeting lies with the employee against whom the complaint or charge is being brought.

The employee shall be allotted ten minutes to argue his or her position to the Board according to the procedures established by the Board for the presentation. The administration's presentation, if any, shall also be limited to ten minutes.

The Level Three presentation before the Board, including the employee's or the employee's representative's argument, any presentation from the administration, and questions from the Board with responses shall be recorded by audio tape. The Board's deliberations shall not be recorded.

The Board shall consider the grievance but is not required to respond or take any action on the matter. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. Announcing the Board's decision or announcing the effect of the Board inaction in the employee's presence constitutes communication of the decision. If for any reason the Board fails to reach a decision regarding the grievance by the end of the next regularly scheduled meeting, the lack of a response by the Board shall uphold the administrative decision at Level Two.

Searches—General Rule

Citizens, including district employees, have a right to be free from unreasonable searches and seizures. *U.S. Const. Amendment IV; Tex. Const. Art. I, Sec. 9*

A district may search an employee or an employee's property if:

1. There are reasonable grounds to believe that the search will turn up evidence that the employee is guilty of work-related misconduct; and
2. The search is reasonably related in scope to the circumstances that justified the interference in the first place.

O'Connor v. Ortega, 480 U.S. 709 (1987); *New Jersey v. T.L.O.*, 469 U.S. 325 (1985)

In addition, a district may search an employee's workplace for non-investigatory, work-related purposes, if there are reasonable grounds to believe that the search will turn up evidence that the employee is guilty of work-related misconduct. *O'Connor v. Ortega*, 480 U.S. 709 (1987)

Drug/Alcohol Testing

Blood, urine, and breath tests of public employees to determine drug use are searches under the Fourth Amendment of the U.S. Constitution. *Skinner v. Railway Labor Executives Ass'n*, 489 U.S. 602 (1989)

Random Drug Testing

A district may conduct drug tests, without a warrant and without individualized suspicion, when the test serves special governmental needs that outweigh the individual's privacy expectation. *Skinner v. Railway Labor Executives Ass'n*, 489 U.S. 602 (1989); *Nat'l Treasury Employees Union v. Von Raab*, 489 U.S. 656 (1989)

Safety-Sensitive Positions

Random alcohol and drug testing of employees in "safety-sensitive" positions may be permissible when the intrusiveness of the search is minimal and a board is able to demonstrate that the drug-testing program furthers its interest in ensuring the physical safety of students. "Safety-sensitive" positions include those that involve the handling of potentially dangerous equipment or hazardous substances in an environment including a large number of children. *Aubrey v. Sch. Bd. of LaFayette Parish*, 148 F.3d 559 (5th Cir. 1998)

Education and
Treatment

A district is not required to provide an evaluation by a substance abuse professional or any subsequent recommended education or treatment for an employee who has violated a drug and alcohol regulation of the DOT.

However, if a district offers an employee an opportunity to return to a safety-sensitive duty following a violation, the district must, before the employee again performs that duty, ensure that the employee receives an evaluation by a substance abuse professional and that the employee successfully complies with the professional's evaluation recommendations.

49 C.F.R. 40.289

Return-to-Duty
Testing

If a district permits an employee who has violated a DOT drug and alcohol regulation to return to safety-sensitive functions, the district must ensure that the employee takes a return-to-duty test. This test cannot occur until after the substance abuse professional has determined that the employee has successfully complied with prescribed education and/or treatment. The employee must have a negative drug test result and/or an alcohol test with an alcohol concentration of less than 0.02 before resuming performance of safety-sensitive duties.

A district is not required to return an employee to safety-sensitive duties because the employee has met the conditions described in the preceding paragraph. Return-to-duty is a personnel decision that the district has the discretion to make subject to legal requirements.

49 C.F.R. 40.305(a)–(b)

Educational
Materials

A district shall provide educational materials that explain the federal requirements and the district's policies and procedures with respect to meeting the requirements. The district shall ensure that a copy of these materials is distributed to each driver before the start of alcohol and controlled substances testing under 49 C.F.R. Part 382 and to each driver subsequently hired or transferred into a position that requires driving a commercial motor vehicle. Written notice to representatives of employee organizations of the availability of this information shall also be provided. The materials shall include detailed discussion of at least the items listed at 49 C.F.R. 382.601. *49 C.F.R. 382.601*

A district required by federal safety regulations to conduct alcohol and drug testing of an employee who holds a commercial driver's license shall report the following information to the Department of Public Safety:

"Dilute specimen" means a specimen with creatinine and specific gravity values that are lower than expected for human urine.
2. A refusal to provide a specimen for an alcohol or drug test.
3. An adulterated specimen or substituted specimen, as defined at 49 C.F.R. 40.3, on an alcohol or drug test.

For purposes of this requirement, the term "employee" includes applicants for employment subject to pre-employment testing.

**Reasonable
Suspicion Searches**

The District reserves the right to conduct searches when the District has reasonable suspicion to believe that a search will uncover evidence of work-related misconduct. The District may search the employee, the employee's personal items, work areas, lockers, and private vehicles parked on District premises or worksites or used in District business. Searches that reveal a violation of the District's standards of conduct may result in disciplinary action. [See DH]

**Reasonable
Suspicion Alcohol
and Drug Testing**

The District may remove an employee from duty and require testing if there is reasonable suspicion that the employee is under the influence of alcohol or drugs used in violation of District policy. The determination of reasonable suspicion may be based on specific observations of the appearance, behavior, speech, or body odors of the employee whose motor ability, emotional equilibrium, or mental acuity seems to be impaired while on duty or other relevant information. Any employee who is asked to submit to drug or alcohol testing shall be given the opportunity to provide relevant information about prescription or nonprescription medications that may affect the screening.

A District employee who refuses to comply with a directive to submit to testing based upon reasonable suspicion shall be subject to disciplinary action, up to and including termination.

A District employee confirmed to have violated the District's policy pertaining to alcohol or drugs may be subject to disciplinary action. [See DF series and DH]

Note: The following provisions apply to employees who are covered by the federal Department of Transportation (DOT) rules.

**Federally Required
DOT Testing
Program**

In accordance with DOT rules, the District shall establish an alcohol and controlled substances testing program to help prevent accidents and injuries resulting from the misuse of alcohol and controlled substances by the drivers of commercial motor vehicles, including school buses. The primary purpose of the testing program is to prevent impaired employees from performing safety-sensitive functions.

The Superintendent shall designate a District official who shall be responsible for ensuring that information is disseminated to employees covered under this testing program regarding prohibited driver conduct, alcohol and controlled substances tests, and the consequences that follow positive test results.

Drug-Related
Violations

The following constitute drug-related violations under the DOT rules:

1. Refusing to submit to a required test for alcohol or controlled substances.
2. Providing an adulterated, diluted, or a substituted specimen on an alcohol or controlled substances test.
3. Testing positive for alcohol, at a concentration of 0.04 or above, in a post-accident test.
4. Testing positive for controlled substances in a post-accident test.
5. Testing positive for alcohol, at a concentration of 0.04 or above, in a random test.
6. Testing positive for controlled substances in a random test.
7. Testing positive for alcohol, at a concentration of 0.04 or above, in a reasonable suspicion test.
8. Testing positive for controlled substances in a reasonable suspicion test.

An employee who operates a commercial motor vehicle, including a bus, and commits a drug-related DOT violation as defined above shall not be eligible for reinstatement as a driver.

Alcohol Results
Between 0.02 and
0.04

In accordance with DOT rules, a driver tested under this policy and found to have an alcohol concentration of 0.02 or greater, but less than 0.04, shall be suspended from driving duties for at least 24 hours.

[In the event of a subsequent positive test result for alcohol of 0.02 or greater but less than 0.04, see the disciplinary consequences at District-Imposed Consequences, below.]

Reasonable
Suspicion DOT
Testing

Only supervisors specifically trained in accordance with federal regulations may, based upon reasonable suspicion, remove a driver from a safety-sensitive position and require testing for alcohol and/or controlled substances. The determination of reasonable suspicion shall be based on specific observations of the appearance, behavior, speech, or body odors of the driver whose motor ability, emotional equilibrium, or mental acuity seems to be impaired. Such observations must take place just preceding, during, or just after the period of the workday that the driver is on duty.

The observations may include indication of the chronic and withdrawal effects of controlled substances. Within 24 hours of the observed behavior, the supervisor shall provide a signed, written

record documenting the observations leading to a controlled substance reasonable suspicion test.

**District-Imposed
Consequences**

In addition to the consequences established by federal law, a District employee confirmed to have violated the District's policy pertaining to alcohol or controlled substances, including a second or subsequent positive test result for alcohol of 0.02 or greater but less than 0.04, shall be subject to District-imposed discipline, as determined by his or her supervisor and the Superintendent. Such discipline may include any appropriate action from suspension without pay during the period of removal from safety-sensitive functions, up to and including termination of employment. [See DF series]

In cases where a driver is also employed in a nondriving capacity by the District, disciplinary action imposed for violation of alcohol and controlled substances policies shall apply to the employee's functions and duties that involve driving. Additionally, upon recommendation of the employee's supervisor, disciplinary measures up to and including termination of employment with the District may be considered.

**Statement of
Nondiscrimination**

The District prohibits discrimination, including harassment, against any employee on the basis of race, color, religion, sex, national origin, age, disability, or any other basis prohibited by law. Harassment**

As required by law, the District shall follow the procedures below at Response to Sexual Harassment—Title IX upon a report of sex-based harassment, including sexual harassment, when such allegations, if proved, would meet the definition of sexual harassment under Title IX. [See FFH(LEGAL)]

Sexual Harassment

Sexual harassment is a form of sex discrimination defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

2. The conduct is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with the employee's work performance or creates an intimidating, threatening, hostile, or offensive work environment.

**Reporting

[See BBD for Board member training requirements and BJCB for Superintendent continuing education requirements.]

**Reporting Child
Abuse and Neglect**

Any person who has cause to believe that a child's physical or mental health or welfare has been adversely affected by abuse or neglect has a legal responsibility, under state law, to immediately report the suspected abuse or neglect to an appropriate authority.

As defined in state law, child abuse and neglect include both sex and labor trafficking of a child.

The following individuals have an additional legal obligation to submit a written or oral report within 48 hours of learning of the facts giving rise to the suspicion of abuse or neglect:

1. Any District employee, agent, or contractor who suspects a child's physical or mental health or welfare has been adversely affected by abuse or neglect.
2. A professional who has cause to believe that a child has been or may be abused or neglected or may have been a victim of indecency with a child. A professional is anyone licensed or certified by the state who has direct contact with children in the normal course of duties for which the individual is licensed or certified.

A person is required to make a report if the person has cause to believe that an adult was a victim of abuse or neglect as a child

and the person determines in good faith that disclosure of the information is necessary to protect the health and safety of another child or an elderly or disabled person.

[For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]

Restrictions on Reporting

In accordance with law, an employee is prohibited from using or threatening to use a parent's refusal to consent to administration of a psychotropic drug or to any other psychiatric or psychological testing or treatment of a child as the sole basis for making a report of neglect, unless the employee has cause to believe that the refusal:

1. Presents a substantial risk of death, disfigurement, or bodily injury to the child; or
2. Has resulted in an observable and material impairment to the growth, development, or functioning of the child.

Making a Report

Reports may be made to any of the following:

1. A state or local law enforcement agency;
2. The Child Protective Services (CPS) division of the Texas Department of Family and Protective Services (DFPS) at (800) 252-5400 or the [Texas Abuse Hotline Website](#)¹;
3. A local CPS office; or
4. If applicable, the state agency operating, licensing, certifying, or registering the facility in which the suspected abuse or neglect occurred.

However, if the suspected abuse or neglect involves a person responsible for the care, custody, or welfare of the child, the report must be made to DFPS, unless the report is to the state agency that operates, licenses, certifies, or registers the facility where the suspected abuse or neglect took place; or the report is to the Texas Juvenile Justice Department as a report of suspected abuse or neglect in a juvenile justice program or facility.

An individual does not fulfill his or her responsibilities under the law by only reporting suspicion of abuse or neglect to a campus principal, school counselor, or another District staff member. Furthermore, the District is prohibited from requiring an employee to first report his or her suspicion to a District or campus administrator.

Confidentiality

In accordance with state law, the identity of a person making a report of suspected child abuse or neglect shall be kept confidential

STUDENT WELFARE
CHILD ABUSE AND NEGLECT

FFG

and disclosed only in accordance with the rules of the investigating agency.

Immunity

A person who in good faith reports or assists in the investigation of a report of child abuse or neglect is immune from civil or criminal liability.

**Failing to Report
Suspected Child
Abuse or Neglect**

By failing to report suspicion of child abuse or neglect, an employee:

1. May be placing a child at risk of continued abuse or neglect;
2. Violates the law and may be subject to legal penalties, including criminal sanctions for knowingly failing to make a required report;
3. Violates Board policy and may be subject to disciplinary action, including possible termination of employment; and
4. May have his or her certification from the State Board for Educator Certification suspended, revoked, or canceled in accordance with 19 Administrative Code Chapter 249.

It is a criminal offense to coerce someone into suppressing or failing to report child abuse or neglect.

**Responsibilities
Regarding
Investigations**

In accordance with law, District officials shall be prohibited from:

1. Denying an investigator's request to interview a child at school in connection with an investigation of child abuse or neglect;
2. Requiring that a parent or school employee be present during the interview; or
3. Coercing someone into suppressing or failing to report child abuse or neglect.

District personnel shall cooperate fully and without parental consent, if necessary, with an investigation of reported child abuse or neglect. [See GKA]

Dating Violence

A district shall adopt and implement a dating violence policy to be included in the district improvement plan.

A dating violence policy must:

1. Include a definition of dating violence that includes the intentional use of physical, sexual, verbal, or emotional abuse by a person to harm, threaten, intimidate, or control another person in a dating relationship, as defined by Family Code 71.0021; and
2. Address safety planning, enforcement of protective orders, school-based alternatives to protective orders, training for teachers and administrators, counseling for affected students, and awareness education for students and parents.

Sexual Harassment

A district may develop and implement a sexual harassment policy to be included in the district improvement plan. *Education Code 37.083 [See BQ]*

Sexual abuse of a student by an employee, when there is a connection between the physical sexual activity and the employee's duties and obligations as a district employee, violates a student's constitutional right to bodily integrity. Parties Entitled to Notice The district must notify applicants for admission and employment, students, parents or legal guardians, employees, and all professional organizations holding professional agreements with the district ("Parties Entitled to Notice") of the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator.

34 C.F.R. 106.8(a)

Reporting Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during nonbusiness hours) by using the telephone number or electronic mail address, or by mail to the office address, listed for the Title IX Coordinator.

Notification of Policy A district must notify the Parties Entitled to Notice, above, that the district does not discriminate on the basis of sex in the education program or activity that it operates, and that it is required by Title IX not to discriminate in such a manner. The notification must state that the requirement not to discriminate in the education program or activity extends to employment, and that inquiries about the application of Title IX to such district may be referred to the district's Title IX Coordinator, to the assistant secretary for civil rights of the Department of Education, or both.

34 C.F.R. 106.2(d), .8(b)(1)

Publication Requirements A district must prominently display the contact information required to be listed for the Title IX Coordinator and the nondiscrimination policy described at Notification of Policy, above, on its website, if any, and in each handbook that it makes available to the Parties Entitled to Notice, above.

A district must not use or distribute a publication stating that the district treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by Title IX.

Note: To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

Complaint
Procedures

A district must adopt and publish procedures that provide for the prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by Title IX and a Title IX formal complaint process that complies with 34 C.F.R. 106.45 for formal complaints as defined below.

A district must provide notice to the Parties Entitled to Notice, above, of the district's procedures and Title IX formal complaint process, including how to report or file a complaint of sex discrimination, how to report or file a formal complaint of sexual harassment, and how the district will respond.

The requirements of this provision apply only to sex discrimination occurring against a person in the United States.

34 C.F.R. 106.8(c)–(d)

Response to Sexual
Harassment

Definitions

"Actual knowledge" means notice of sexual harassment or allegations of sexual harassment to a district's Title IX Coordinator or any official of the district who has authority to institute corrective measures on behalf of the district, or to any employee of an elementary and secondary school. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the district with actual knowledge is the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the district. "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator.

"Complainant" means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

"Consent" is not defined by the Title IX regulations, nor do the regulations require districts to adopt a particular definition of consent with respect to sexual assault.

"Formal complaint" means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment

STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

FFH
(LEGAL)

against a respondent and requesting that the district investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the district with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the district. As used in this paragraph, the phrase “document filed by a complainant” means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant’s physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party to a Title IX formal complaint, and must comply with the requirements of the Title IX formal complaint process, including the informal resolution process.

“Respondent” means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

“Sexual harassment” means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual’s participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district’s education program or activity; or
3. “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

“Supportive measures” means nondisciplinary, nonpunitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district’s education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district’s educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines

or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or district-provided housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

34 C.F.R. 106.2, .30(a)

*Deliberate
Indifference*

A district with actual knowledge of sexual harassment in an education program or activity of the district against a person in the United States, must respond promptly in a manner that is not deliberately indifferent. A district is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

*Education
Program or
Activity*

For the purposes of 34 C.F.R. 106.30 [see Definitions, above] and 106.45 [see Process for Title IX Formal Complaint, below], “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs.

34 C.F.R. 106.44(a)

Title IX Coordinator
Response

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant’s wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint. The Title IX Coordinator must respond in this manner with or without a formal complaint. *34 C.F.R. 106.44(b)(1)*

*Supportive
Measures
Required*

A district’s response must treat complainants and respondents equitably by offering supportive measures and by following a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below] before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. *Response to a
Formal Complaint*

In response to a formal complaint, a district must follow a process that complies with 34 C.F.R. 106.45 [see Process for Title IX Formal Complaint, below]. *34 C.F.R. 106.44(b)(1)*

*Emergency
Removal*

The Title IX regulations do not preclude a district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district:

1. Undertakes an individualized safety and risk analysis;
2. Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal; and
3. Provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

34 C.F.R. 106.44(c)

*Administrative
Leave*

The Title IX regulations do not preclude a district from placing a nonstudent employee respondent on administrative leave during the pendency of a Title IX formal complaint. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act. *34 C.F.R. 106.44(d)*

Process for Title IX
Formal Complaint

For the purpose of addressing formal complaints of sexual harassment, a district's process must comply with the following requirements. Any provisions, rules, or practices other than those required by this provision that a district adopts as part of its process for handling formal complaints of sexual harassment must apply equally to both parties. *34 C.F.R. 106.45(b)*

A district's Title IX formal complaint process must:

1. Treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following a process that complies with the Title IX regulations before the imposition of any disciplinary sanctions or other actions that are not supportive measures

against a respondent. Remedies must be designed to restore or preserve equal access to the district's education program or activity. Such remedies may include the same individualized services described as supportive measures; however, remedies need not be nondisciplinary or nonpunitive and need not avoid burdening the respondent;

2. Require an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence—and provide that credibility determinations may not be based on a person's status as a complainant, respondent, or witness;
3. Require that any individual designated by a district as a Title IX Coordinator, investigator, decision-maker, or any person designated by a district to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A district must ensure that Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, receive training on the definition of sexual harassment, the scope of the district's education program or activity, how to conduct an investigation and Title IX formal complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. A district must ensure that decision-makers receive training on any technology to be used at a live hearing, if any, and on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant. [See Hearings, below] A district also must ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. [See Investigation of a Formal Complaint, below] Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sexual harassment;
4. Include a presumption that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process;
5. Include reasonably prompt time frames for conclusion of the Title IX formal complaint process, including reasonably

STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes, and a process that allows for the temporary delay of the Title IX formal complaint process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities;

6. Describe the range of possible disciplinary sanctions and remedies or list the possible disciplinary sanctions and remedies that the district may implement following any determination of responsibility;
7. State whether the standard of evidence to be used to determine responsibility is the preponderance of the evidence standard or the clear and convincing evidence standard, apply the same standard of evidence for formal complaints against students as for formal complaints against employees, including faculty, and apply the same standard of evidence to all formal complaints of sexual harassment;
8. Include the procedures and permissible bases for the complainant and respondent to appeal;
9. Describe the range of supportive measures available to complainants and respondents; and
10. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

34 C.F.R. 106.45(b)(1)

*Notice of
Allegations*

Upon receipt of a formal complaint, a district must provide the following written notice to the parties who are known:

1. Notice of the district's Title IX formal complaint process, including any informal resolution process.
2. Notice of the allegations of sexual harassment potentially constituting sexual harassment, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include:
 - a. The identities of the parties involved in the incident, if known;

STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

FFH
(LEGAL)

- b. The conduct allegedly constituting sexual harassment;
and
- c. The date and location of the alleged incident, if known.

The written notice must include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the Title IX formal complaint process. The written notice must inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney and may inspect and review evidence [see Investigation of a Formal Complaint, below]. The written notice must inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the Title IX formal complaint process.

If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Notice of Allegations, above, the district must provide notice of the additional allegations to the parties whose identities are known.

34 C.F.R. 106.45(b)(2)

*Dismissal of a
Formal Complaint*

The district must investigate the allegations in a formal complaint. If the conduct alleged in the formal complaint would not constitute sexual harassment even if proved, did not occur in the district's education program or activity, or did not occur against a person in the United States, then the district must dismiss the formal complaint with regard to that conduct for purposes of sexual harassment under Title IX; such a dismissal does not preclude action under another provision of the district's code of conduct.

The district may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing: a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; the respondent is no longer enrolled or employed by the district; or specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal required or permitted pursuant to 34 C.F.R. 106.45(b)(3), the district must promptly send written notice of the dismissal and reason(s) therefor simultaneously to the parties.

*Consolidation of
Formal
Complaints*

A district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a Title IX formal complaint process involves more than one complainant or more than one respondent, references in this provision to the singular “party,” “complainant,” or “respondent” include the plural, as applicable.

34 C.F.R. 106.45(b)(3)–(4)

*Investigation of a
Formal Complaint*

When investigating a formal complaint and throughout the Title IX formal complaint process, a district must:

1. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party’s records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional’s or paraprofessional’s capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party’s voluntary, written consent to do so for a Title IX formal complaint (if a party is not an “eligible student,” as defined in 34 C.F.R. 99.3 then the district must obtain the voluntary, written consent of a “parent,” as defined in 34 C.F.R. 99.3) [see FL(LEGAL) at Education Records];
2. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
3. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
4. Provide the parties with the same opportunities to have others present during any Title IX formal complaint proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or Title IX formal complaint proceeding; however, the district may establish restrictions regarding

STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

FFH
(LEGAL)

the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;

5. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
6. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district must send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties must have at least ten days to submit a written response, which the investigator will consider prior to completion of the investigative report. The district must make all such evidence subject to the parties' inspection and review available at any hearing to give each party equal opportunity to refer to such evidence during the hearing, including for purposes of cross-examination; and
7. Create an investigative report that fairly summarizes relevant evidence and, at least ten days prior to a hearing (if a hearing is required or otherwise provided) or other time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

34 C.F.R. 106.45(b)(5)

Hearings

The district's Title IX formal complaint process may, but need not, provide for a hearing. With or without a hearing, after the district has sent the investigative report to the parties pursuant to 34 C.F.R. 106.45(b)(5)(vii) [see Investigation of a Formal Complaint, above] and before reaching a determination regarding responsibility, the decision-maker(s) must afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. With or without a hearing, questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior

sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) must explain to the party proposing the questions any decision to exclude a question as not relevant. *34 C.F.R. 106.45(b)(6)(ii)*

*Determination
Regarding
Responsibility*

The decision-maker(s), who cannot be the same person(s) as the Title IX Coordinator or the investigator(s), must issue a written determination regarding responsibility. To reach this determination, the district must apply the standard of evidence described at Process for Title IX Formal Complaint, above.

The written determination must include:

1. Identification of the allegations potentially constituting sexual harassment;
2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
3. Findings of fact supporting the determination;
4. Conclusions regarding the application of the district's code of conduct to the facts;
5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
6. The district's procedures and permissible bases for the complainant and respondent to appeal.

The district must provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

*Implementation
of Remedies*

The Title IX Coordinator is responsible for effective implementation of any remedies. *34 C.F.R. 106.45(b)(7)(iv)*

Appeals

A district must offer both parties an appeal from a determination regarding responsibility, and from a district's dismissal of a formal complaint or any allegations therein, on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

A district may offer an appeal equally to both parties on additional bases.

As to all appeals, the district must:

1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
3. Ensure that the decision-maker(s) for the appeal complies with the standards in the Title IX regulations regarding conflict of interest and bias [see Process for Formal Title IX Complaint, item 3, above];
4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
5. Issue a written decision describing the result of the appeal and the rationale for the result; and
6. Provide the written decision simultaneously to both parties.

34 C.F.R. 106.45(b)(8)

*Informal
Resolution*

A district may not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent

FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

with Title IX. Similarly, a district may not require the parties to participate in an informal resolution process and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

1. Provides to the parties a written notice disclosing:
 - a. The allegations;
 - b. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the Title IX formal complaint process with respect to the formal complaint; and
 - c. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
2. Obtains the parties' voluntary, written consent to the informal resolution process; and
3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

34 C.F.R. 106.45(b)(9)

Recordkeeping

A district must maintain for a period of seven years records of:

1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;
2. Any appeal and the result therefrom;
3. Any informal resolution and the result therefrom; and
4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. A district must make these training materials publicly available on its website or if the district does not maintain a website the district must make these materials

available upon request for inspection by members of the public.

For each response required under Title IX Coordinator Response, above, a district must create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity.

If a district does not provide a complainant with supportive measures, then the district must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

34 C.F.R. 106.45(b)(10)

Retaliation
Prohibited

No district or other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under Title IX.

Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation.

Complaints alleging retaliation may be filed according to the Process for Title IX Formal Complaint above.

The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by Title IX.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a Title IX formal complaint proceeding does not constitute retaliation prohibited by Title IX, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Confidentiality

The district must keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA) statute, 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. Note: This policy addresses discrimination, harassment, and retaliation against District students. For provisions regarding discrimination, harassment, and retaliation against District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. Note that FFH shall be used in conjunction with FFI (bullying) for certain prohibited conduct.

**Statement of
Nondiscrimination**

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy and is prohibited.

Discrimination

Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law, that adversely affects the student.

Prohibited Conduct

In this policy, the term “prohibited conduct” includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

Prohibited conduct also includes sexual harassment as defined by Title IX. [See FFH(LEGAL)]

**Prohibited
Harassment**

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student’s race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
3. Otherwise adversely affects the student’s educational opportunities.

Prohibited harassment includes dating violence as defined by law and this policy.

**Sex-Based
Harassment**

As required by law, the District shall follow the procedures below at Response to Sexual Harassment—Title IX upon a report of sex-

based harassment, including sexual harassment, gender-based harassment, and dating violence, when such allegations, if proved, would meet the definition of sexual harassment under Title IX. [See FFH(LEGAL)]

Sexual Harassment
By an Employee

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
2. The conduct is so severe, persistent, or pervasive that it:
 - a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
 - b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or other inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DH]

By Others

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Gender-Based Harassment

Gender-based harassment includes physical, verbal, or nonverbal conduct based on the student's gender, the student's expression of characteristics perceived as stereotypical for the student's gender,

STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

FFH
(LOCAL)

or the student's failure to conform to stereotypical notions of masculinity or femininity. For purposes of this policy, gender-based harassment is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

Dating Violence

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or
3. Otherwise adversely affects the student's educational opportunities.

**Reporting
Procedures**

Student Report

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to a teacher, school counselor, principal, other District employee, or the appropriate District official listed in this policy.

Employee Report

Any District employee who suspects or receives direct or indirect notice that a student or group of students has or may have experienced prohibited conduct shall immediately notify the appropriate District official listed in this policy and take any other steps required by this policy.

Definition of District Officials	For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

<i>ADA / Section 504 Coordinator</i>	Reports of discrimination based on disability may be directed to the designated ADA/Section 504 coordinator for students. [See FFH(EXHIBIT)]
<i>Superintendent</i>	The Superintendent shall serve as coordinator for purposes of District compliance with all other nondiscrimination laws.
Alternative Reporting Procedures	<p>An individual shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.</p> <p>A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.</p>
Timely Reporting	To ensure the District's prompt investigation, reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act.
Notice to Parents	<p>The District official or designee shall promptly notify the parents of any student alleged to have experienced prohibited conduct by a District employee or another adult.</p> <p>[For parental notification requirements regarding an allegation of educator misconduct with a student, see FFF.]</p>
Investigation of Reports Other Than Title IX	<p>The following procedures apply to all allegations of prohibited conduct other than allegations of harassment prohibited by Title IX. [See FFH(LEGAL)] For allegations of sex-based harassment that, if proved, would meet the definition of sexual harassment under Title IX, including sexual harassment, gender-based harassment, and dating violence, see the procedures below at Response to Sexual Harassment—Title IX.</p> <p>The District may request, but shall not require, a written report. If a report is made orally, the District official shall reduce the report to written form.</p>
Initial Assessment	Upon receipt or notice of a report, the District official shall determine whether the allegations, if proved, would constitute prohibited

conduct as defined by this policy. If so, the District shall immediately undertake an investigation, except as provided below at Criminal Investigation.

If the District official determines that the allegations, if proved, would not constitute prohibited conduct as defined by this policy, the District official shall refer the complaint for consideration under FFI.

Interim Action

If appropriate and regardless of whether a criminal or regulatory investigation regarding the alleged conduct is pending, the District shall promptly take interim action calculated to address prohibited conduct or bullying prior to the completion of the District's investigation.

District Investigation

The investigation may be conducted by the District official or a designee, such as the principal, or by a third party designated by the District, such as an attorney. When appropriate, the principal shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

Criminal
Investigation

If a law enforcement or regulatory agency notifies the District that a criminal or regulatory investigation has been initiated, the District shall confer with the agency to determine if the District investigation would impede the criminal or regulatory investigation. The District shall proceed with its investigation only to the extent that it does not impede the ongoing criminal or regulatory investigation. After the law enforcement or regulatory agency has finished gathering its evidence, the District shall promptly resume its investigation.

Concluding the
Investigation

Absent extenuating circumstances, such as a request by a law enforcement or regulatory agency for the District to delay its investigation, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall include a determination of whether prohibited conduct or bullying occurred. The report shall be filed with the District official overseeing the investigation.

<i>Notification of Outcome</i>	Notification of the outcome of the investigation shall be provided to both parties in compliance with FERPA.
District Action <i>Prohibited Conduct</i>	If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary action in accordance with the Student Code of Conduct and may take corrective action reasonably calculated to address the conduct.
Corrective Action	Examples of corrective action may include a training program for those involved in the report, a comprehensive education program for the school community, counseling to the victim and the student who engaged in prohibited conduct, follow-up inquiries to determine if any new incidents or any instances of retaliation have occurred, involving parents and students in efforts to identify problems and improve the school climate, increasing staff monitoring of areas where prohibited conduct has occurred, and reaffirming the District's policy against discrimination and harassment.
<i>Bullying</i>	If the results of an investigation indicate that bullying occurred, as defined by FFI, the District official shall refer to FFI for appropriate notice to parents and District action. The District official shall refer to FDB for transfer provisions.
<i>Improper Conduct</i>	If the investigation reveals improper conduct that did not rise to the level of prohibited conduct or bullying, the District may take disciplinary action in accordance with the Student Code of Conduct or other corrective action reasonably calculated to address the conduct.
Confidentiality	To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.
Appeal	A student or parent who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. - Discuss the availability of supportive measures and inform the complainant that they are available, with or without the filing of a formal complaint;
- Consider the complainant's wishes with respect to supportive measures; and
- Explain to the complainant the option and process for filing a formal complaint.

The District's response to sexual harassment shall treat complainants and respondents equitably by offering supportive measures to both parties, as appropriate, and by following the Title IX formal complaint process before imposing disciplinary sanctions or other actions that are not supportive measures against a respondent.

If a formal complaint is not filed, the District reserves the right to investigate and respond to prohibited conduct in accordance with Board policies and the Student Code of Conduct.

Title IX Formal
Complaint Process

To distinguish the process described below from the District's general grievance policies [see DGBA, FNG, and GF], this policy refers to the grievance process required by Title IX regulations for responding to formal complaints of sexual harassment as the District's "Title IX formal complaint process."

The Superintendent shall ensure the development of a Title IX formal complaint process that complies with legal requirements. [See FFH(LEGAL)] The formal complaint process shall be posted on the District's website. In compliance with Title IX regulations, the District's Title IX formal complaint process shall address the following basic requirements:

1. Equitable treatment of complainants and respondents;
2. An objective evaluation of all relevant evidence;
3. A requirement that the Title IX coordinator, investigator, decision-maker, or any person designated to facilitate an informal resolution process not have a conflict of interest or bias;
4. A presumption that the respondent is not responsible for the alleged sexual harassment until a determination is made at the conclusion of the Title IX formal complaint process;
5. Time frames that provide for a reasonably prompt conclusion of the Title IX formal complaint process, including time frames for appeals and any informal resolution process, and that allow for temporary delays or the limited extension of time frames with good cause and written notice as required by law;

6. A description of the possible disciplinary sanctions and remedies that may be implemented following a determination of responsibility for the alleged sexual harassment;
7. A statement of the standard of evidence to be used to determine responsibility for all Title IX formal complaints of sexual harassment;
8. Procedures and permissible bases for the complainant and respondent to appeal a determination of responsibility or a dismissal of a Title IX formal complaint or any allegations therein;
9. A description of the supportive measures available to the complainant and respondent;
10. A prohibition on using or seeking information protected under a legally recognized privilege unless the individual holding the privilege has waived the privilege;
11. Additional formal complaint procedures in 34 C.F.R. 106.45(b), including written notice of a formal complaint, consolidation of formal complaints, recordkeeping, and investigation procedures; and
12. Other local procedures as determined by the Superintendent.

Standard of
Evidence

The standard of evidence used to determine responsibility in a Title IX formal complaint of sexual harassment shall be the preponderance of the evidence.

Retaliation

The District prohibits retaliation by a student or District employee against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report of harassment or discrimination, files a complaint of harassment or discrimination, serves as a witness, or participates in an investigation. The definition of prohibited retaliation under this policy also includes retaliation against a student who refuses to participate in any manner in an investigation under Title IX.

False Claim

A student who intentionally makes a false claim or offers false statements in a District investigation regarding discrimination or harassment, including dating violence, shall be subject to appropriate disciplinary action in accordance with law.

Records Retention

The District shall retain copies of allegations, investigation reports, and related records regarding any prohibited conduct in accordance with the District's records control schedules, but for no less than the minimum amount of time required by law. [See CPC]

[See GKA(LEGAL)]

Notice to Students and Parents

The District shall inform students and parents of this policy through appropriate District publications.

Guiding Principles

Informal Process

The Board encourages students and parents to discuss their concerns with the appropriate teacher, principal, or other campus administrator who has the authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

Informal resolution shall be encouraged but shall not extend any deadlines in this policy.

Formal Process

A student or parent may initiate the formal process described below by timely filing a written complaint form.

Even after initiating the formal complaint process, students and parents are encouraged to seek informal resolution of their concerns. A student or parent whose concerns are resolved may withdraw a formal complaint at any time.

The process described in this policy shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or "mini-trial" at any level.

Freedom from Retaliation

Neither the Board nor any District employee shall unlawfully retaliate against any student or parent for bringing a concern or complaint.

General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including email and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the

(LOCAL)

deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are post-marked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling
Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time. If a student or parent fails to appear at a scheduled conference, the District may hold the conference and issue a decision in the student's or parent's absence.

Response

At Levels One and Two, "response" shall mean a written communication to the student or parent from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the student's or parent's email address of record, or sent by U.S. Mail to the student's or parent's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean calendar days. In calculating timelines under this policy, the day a document is filed is "day zero." The following day is "day one."

Representative

"Representative" shall mean any person who or organization that is designated by the student or parent to represent the student or parent in the complaint process. A student may be represented by an adult at any level of the complaint.

The student or parent may designate a representative through written notice to the District at any level of this process. If the student or parent designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating
Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. A student or parent shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Untimely Filings

Complaints that are not filed in accordance with the timelines shall be dismissed. No administrator shall have the authority to extend a deadline for filing a complaint. The student or parent may appeal the dismissal by seeking review in writing within ten days, starting at the level at which the complaint was dismissed. Such appeal shall be limited to the issue of timeliness. All appeals challenging the determination of timeliness shall be filed in writing and state the

reason the student or parent believes the complaint was timely filed. For appeals of timeliness only, the student or parent shall not be entitled to make a personal presentation at any grievance level on the subject. Rather a determination shall be made solely on the written documentations provided by the student or parent in connection with their appeal.

Costs Incurred

Each party shall pay its own costs incurred in the course of the complaint.

Complaint and
Appeal Forms

Complaints and appeals under this policy shall be submitted in writing on a form provided by the District.

Copies of any documents that support the complaint should be attached to the complaint form. If the student or parent does not have copies of these documents, copies may be presented at the Level One conference. After the Level One conference, no new documents may be submitted by the student or parent unless the student or parent did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be refiled with all the required information if the refiling is within the designated time for filing.

Level One

Complaint forms must be filed:

1. Within 15 days of the date the student or parent first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint or grievance; and
2. With the lowest level administrator who has the authority to remedy the alleged problem.

In most circumstances, students and parents shall file Level One complaints with the campus principal.

If the complaint is not filed with the appropriate administrator, the receiving administrator must note the date and time the complaint form was received and within one business day forward the complaint form to the appropriate administrator.

The appropriate administrator shall investigate as necessary and schedule a conference with the student or parent within ten days after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

Absent extenuating circumstances, the administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the

STUDENT RIGHTS AND RESPONSIBILITIES
STUDENT AND PARENT COMPLAINTS/GRIEVANCES

(LOCAL)

decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the student or parent did not receive the relief requested at Level One or if the time for a response has expired, the student or parent may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student or parent may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

Recordings of the Level One and Level Two conferences, if any, shall be maintained with the Level One and Level Two records.

Level Three

If the student or parent did not receive the relief requested at Level Two or if the time for a response has expired, the student or parent may appeal the decision to the Board.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

If the appeal notice is untimely, not on the District's form, or incomplete in any material way, the Superintendent, after consultation with the Board President, may dismiss the complaint and provide written notice of dismissal to the complainant.

The Superintendent or designee shall inform the student or parent of the date, time, and place of the Board meeting at which the complaint will be on the agenda for presentation to the Board.

The Superintendent or designee shall provide the Board the record of the Level Two appeal. The student or parent may request a copy of the Level Two record.

The Level Two record shall include:

1. The Level One record.
2. The notice of appeal from Level One to Level Two.
3. The written response issued at Level Two and any attachments.
4. All other documents relied upon by the administration in reaching the Level Two decision.

The appeal shall be limited to the issues and documents considered at Level Two, except that if at the Level Three hearing the administration intends to rely on evidence not included in the Level Two record, the administration shall provide the student or parent notice of the nature of the evidence at least three days before the hearing.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Note: The following legal provisions address the notification requirements and right of access to students when DFPS investigates reports of abuse and neglect at school. For additional legal provisions addressing reporting child abuse and neglect and investigations generally, see FFG.

**Child Protective
Investigations**

A Texas Department of Family and Protective Services (DFPS) investigation of a report of child abuse or neglect under Family Code Chapter 261 may include an interview and examination of the subject child, which may be conducted at any reasonable time and place, including the child's school. A school official may not deny the request of an investigator, investigating a report of suspected child abuse or neglect, to interview, at school, a student who is an alleged victim. A school official may not condition granting the request on a requirement that school personnel, such as a counselor, attend the interview. *Family Code 261.302(a), (b); Atty. Gen. Op. DM-476 (1998)*

A person that has confidential locating or identifying information regarding a family that is the subject of an investigation under Family Code Chapter 261 shall release that information to DFPS on request. The release of information to DFPS by a person is not subject to Government Code 552.352 or any other law providing liability for the release of confidential information. *Family Code 261.303(e)*

**Special
Investigations**

On receipt of a report of alleged or suspected child abuse or neglect in a public school, DFPS shall perform an investigation as provided by Family Code Chapter 261 and the rules adopted thereunder.

The Special Investigations program (SI) of the Child Protective Investigations division (CPI) of DFPS investigates allegations of abuse or neglect of a child by school personnel or volunteers in a school setting.

Notice to School
Personnel

Prior to conducting an investigation of school personnel or volunteers, SI shall notify the school principal (or the principal's supervisor if the school principal is an alleged perpetrator) of the fact that a report has been assigned for investigation, the nature of the allegations contained in the report, and the date and time SI plans to visit the school campus to begin the investigation.

SI must also orally notify the superintendent about the investigation.

SI must request that the school personnel notified of the investigation not alert the alleged perpetrator or others regarding the report until SI has had an opportunity to interview the alleged perpetrator.

No Interference with
Investigation

School officials or other persons related to the school setting may not interfere with an investigation of a report of child abuse or neglect conducted by DFPS.

Interviews on
School Premises

Interviews and examinations in a school investigation may take place on or off the school premises, as deemed appropriate by SI, pursuant to all applicable standards. SI will notify appropriate school personnel prior to conducting an interview or visual inspection on school premises.

Presence of School
Personnel

SI may request that school personnel or volunteers not be present during the interview or visual inspection of an alleged victim, an alleged perpetrator, an adult or child witness, or any other person who may have information relevant to the investigation if the investigator determines that:

1. The presence of school personnel or volunteers would compromise the integrity of the investigation; or
2. A better interview or examination of the child would result without school personnel or volunteers being present.

**Child Abuse
Investigation**

**Other Questioning of
Students**

When law enforcement officers or other lawful authorities request to question or interview a student at school for any purpose other than a child abuse investigation, the following guidelines shall apply:

1. The principal shall verify and record the identity of the officer or other authority and request an explanation of the need to question or interview the student at school.
2. The principal ordinarily shall make reasonable efforts to notify the student's parent or other person having lawful control of the student. If the interviewer raises what the principal considers to be a valid objection to the notification, the parent shall not be notified.
3. The principal or a designee ordinarily shall be present during the questioning or interview. If the interviewer raises what the principal considers to be a valid objection to a third party's presence, the interview shall be conducted without that person's presence.

**Students Taken into
Custody**

Before a student at school is arrested or taken into custody by a law enforcement officer or other legally authorized person, the principal shall verify the official's identity. To the best of his or her ability, the principal shall verify the official's authority to take custody of the student and then shall deliver over the student.

The principal shall immediately notify the Superintendent and ordinarily shall notify the parent or other person having lawful control of the student. If the officer or other authorized person raises what the principal considers to be a valid objection to notifying the parent at that time, the principal shall not notify the parent.
